## **Exhibits**

### **CPHI India**

---

CPHI India is South East Asia's leading platform that gathers pharma and beauty cosmetology ingredients product manufacturers, suppliers and buyers. The event provides a unique environment for pharma experts to meet, learn, share ideas and drive business throughout the year.

### **P-MEC India**

---

P-MEC showcases innovative pharmaceutical machinery, laboratory equipment and analytical technology through face to face networking and education.

- **P-MEC:** for pharmaceutical machinery, technology and equipment

## **Women in Pharma and Beauty Cosmetology**

**'Women in Pharma: Aspire, Lead, Inspire'** is an initiative that offers a venerable platform, bringing together renowned and accomplished women leaders who will share their success stories, experiences and knowledge. These women leaders had aspired to break the glass ceiling, and today, continue to lead and inspire next gen women with similar ambitions.

This invite-only event, exclusively for women, will congregate the most sought-after women leaders in senior-management levels, as well as entrepreneurs, and mentors. They will discuss the nuances of female leadership through interactive panel discussions, fireside chats and networking opportunities.

### **Key topics of discussion:**

- Women in Business: Empowered women, empowered businesses
- How great women lead
- Strategies for strengthening the Pharma C+ club
- Inspiring next gen women leaders in Pharma

## **Sustainability**

At UBM EMEA we achieve sustainable commercial success through thoughtful market focus and superior results for our customers. Being a sustainable business is central to how we run our events, how we make decisions and how we do business every day.

Our continuing evolution is fueled by insight, innovation, and collaboration. We are proud of our commitment to having a positive environmental and social impact on both the communities and industries we work within.

**We are committed to achieving a sustainable events industry, and will continue to be at the forefront of driving change.**

## **GLOBAL**

Want to mix with the world of pharma, products, people and solutions?

---

CPHI is an established pharmaceutical event with over 28 years' experience of bringing together the movers and shakers in pharma.

Uniting niche and top buyers and sellers together under one roof in nine event locations around the world, CPHI hosts quality conferences, free seminars, Awards and even pharma community charity expeditions!

The CPHI Community is comprised of all job functions throughout the pharma supply chain. You can exhibit, sponsor, speak at or simply join thousands of your fellow colleagues to visit the events.

Select the geographical event regions most desirable to you, or with the suppliers and speakers that best meet your pharma business needs.

## **CPHI Global Events**

CPHI Global events are the world's **most important gatherings** for **ingredients**, machinery, equipment, **technology**, package and contract service suppliers, distributors and buyers from the pharmaceutical industry.

For over 26 years, CPHI has helped **thousands of pharma professionals** reach new markets and do business quicker. As the industry continues to change rapidly, so do our exhibitions, to make sure everyone who attends them **achieves the results they want**.

CPHI brings together global communities of pharma professionals in vibrant and **energising environments**. These inspiring events offer you unrivalled opportunities to meet **premier suppliers and buyers**, discover new pharma trends, learn about ground-breaking **ideas and innovations**, and hear from leading industry experts.

## **Awards**

CPHIPharma Awards was launched by CPHI in 2004 to provide recognition to pharmaceutical companies that turn inspiration into innovation.

CPHIPharma Awards celebrates thinkers and creators breaking new ground in industry and strongly advocates companies that are committed to driving the industry forward.

With the support of leading pharma associations and media partners, CPHI Pharma Award has become the most prestigious award in the Pharma industry.

On its 13rd edition, CPHIPharma Awards will give recognition in 15 categories including the CEO of the Year and the Corporate Social Responsibility amongst others.

The winners will be announced at the prestigious CPHIPharma Awards Gala, taking place on the first evening of CPHI Worldwide 2016 in Barcelona with attendance of over 250 guests.

## **Winners 2017**

### 1. Excellence in Pharma: API Development

- Cambrex – Development of a new, efficient synthesis of Ospemifene

### 2. Excellence in Pharma: Formulation – Sponsored by CrystecPharma

- Orbis Biosciences – Orbis' Optimum® Platform: Delivering Dispersed Dosage Forms with Functional Coatings in a Single Manufacturing Step

### 3. Excellence in Pharma: Excipients

- Colorcon – Colorcon Hits the Target on Tablet Film Coating Productivity

#### 4. Excellence in Pharma: Manufacturing Technology and Equipment

- MJR PharmJet – Future of particle manufacturing is shaped by MicroJet Reactor technology with efficient control on particle size and homogeneity of particle size distribution.

#### 5. Excellence in Pharma: Bioprocessing – Sponsored by Catalent

- Capsugel / Bend Research (Lonza) – MAST™ (Modular Automated Sampling Technology) Platform: Developed for the Biopharma Industry

#### 6. Excellence in Pharma: Analysis, Testing, and Quality Control

- 1CryoBio – FlexiQuot®: New disruptive technology that revolutionizes sample storage and handling

#### 7. Excellence in Pharma: Drug Delivery Devices
