

## **Event Report**

**Event Name: SWACHTA PAKHWADA-SWACHTA Hi SEWA**

**Date of the Event: 1<sup>ST</sup> OCTOBER 2023**

**Duration of the Event: Whole day**

**Venue: SANDIP UNIVERSITY CAMPUS**

**Name of the Event Coordinator: Prof. Rajesh Kumar Mahto, Prof. Sanjeev Bhagat**

### **Objective of the Program:**

The primary objective of the Swachhta Pakhwada - Swachhta Hi Sewa event, organized by Dr. Pappu Kumar on October 1st, 2023, at Sandip University Campus, was to instill a sense of responsibility and commitment towards cleanliness and hygiene among the university community. The program aimed to achieve the following objectives:

- **Promote Cleanliness Awareness:** To raise awareness about the importance of cleanliness and its direct impact on the overall well-being and health of the university community.
- **Foster a Sense of Ownership:** To encourage students and participants to take ownership of their surroundings and contribute to maintaining a clean and hygienic environment within the campus.
- **Strengthen Environmental Consciousness:** To complement the cleanliness drive, a tree plantation activity was included to enhance the green cover of the campus, reinforcing the message of environmental sustainability.

### **Outline of the Program:**

On October 1st, 2023, a commendable event, Swachhta Pakhwada - Swachhta Hi Sewa, was organized at the Sandip University Campus. The event was orchestrated by Dr. Pappu Kumar, with the invaluable assistance of Prof. Rajesh Kumar Mahto, Prof. Sanjeev Bhagat, in collaboration with dedicated university students. The objective of this event was to promote cleanliness, hygiene, and environmental consciousness within the campus and its surroundings.

- The event kicked off with a warm inaugural address by Dr. Pappu Kumar. He emphasized the importance of cleanliness and its direct impact on the overall health and well-being of the university community. Dr. Kumar also extended his gratitude to all participants for their willingness to contribute to the cause.
- Divided into groups, participants enthusiastically engaged in the cleanliness drive across various areas of the campus. They diligently cleaned walkways, common areas, and other designated spots, instilling a sense of pride and ownership in maintaining a clean environment.
- Prof. Rajesh Kumar Mahto conducted an interactive session focused on the significance of maintaining cleanliness and its far-reaching benefits. The session encouraged a dialogue between participants, fostering a deeper understanding of the importance of cleanliness in our daily lives.
- To complement the cleanliness drive, a tree plantation activity was organized, aiming to enhance the green cover of the campus. Prof. Sanjeev Bhagat provided valuable guidance and oversight as participants planted saplings in designated areas.
- This informal platform facilitated the exchange of ideas and further strengthened the sense of community among attendees.

## Conclusion

The Swachhta Pakhwada - Swachhta Hi Sewa event held on October 1st, 2023, at the Sandip University Campus, was a resounding success. Dr. Pappu Kumar, along with the dedicated efforts of Prof. Rajesh Kumar Mahto, Prof. Sanjeev Bhagat, and the enthusiastic participation of university students, contributed significantly towards fostering a culture of cleanliness and environmental awareness within the campus. The event served as a powerful reminder of our collective responsibility towards maintaining a clean and sustainable environment.
