

Sanskriti se Samriddhi

Nurturing Young Minds Through IKS

The '**Sanskriti se Samriddhi**' event, organized by the **Center for Indian Knowledge Systems (CIKS)**, **Sandip University** on **1st August, 2023**, was a resounding success. It focused on immersing students in India's rich cultural and intellectual traditions.

Event Highlights

- **Saraswati Poojan** The event commenced with a traditional **Saraswati Poojan**, invoking the blessings of the goddess of knowledge, music, arts, wisdom, and learning.
- **Felicitation of Dignitaries** Esteemed dignitaries were felicitated for their contributions to the field of education and Indian Knowledge Systems.
- **Inspirational Address** Hon'ble **Swami Shrikanthananda Ji** delivered an inspirational address, emphasizing the importance of Indian values in the modern world.

Keynote Address

Ms. Shailee Pandya, the Coordinator of CIKS, extended a warm welcome to all participants. She highlighted the pivotal role of Indian Knowledge Systems in fostering holistic development, encompassing academic intelligence, cultural rootedness, ethical strength, and spiritual awareness.

Conclusion

The event concluded as a vibrant celebration of Indian identity, wisdom, and a bright future firmly rooted in the profound teachings of Indian Knowledge Systems. It left a lasting impact on the young minds, inspiring them to embrace their cultural heritage and contribute meaningfully to society.
