SCHOOL OF SCIENCE

DEPARTMENT OF CHEMISTRY

ALUMNI TALK SERIES EPISODE:1

Our Guest Speaker:

Pratiksha Borse

(Senior Associate, Chokasi Laboratory Pvt. Ltd.
Indore, Madhya Pradesh)

Date: 22 jan 2025

Time : 12pm

Sandip University, Nashik (MS), India

At Post Mahiravani, Trimbak Road, Nashik- 422213 Maharashtra

"ALUMINI TALK SERIES"

SCHOOL OF SCIENCE

DEPARTMENT OF CHEMISTRY

Report on Alumni Talk Series Episode 1

Academic Year: 2024-25

Date: [22/01/2025]

Duration: 2 hrs.

Speaker: Ms. Pratiksha Borse, Senior Associate, Choksi Laboratories Pvt. Ltd., Indore, Madhya Pradesh

Audience: Chemistry Department Students, School of Science, Sandip University, Nashik

Event Coordinator:

1. Ms. Akansha Raut
2. Dr. Leena Patil

Objective:

- To provide students with insights into the diverse career paths available in the field of Chemistry.
- To expose students to real-world industry experiences and challenges.
- To inspire students to pursue their career goals with passion and dedication.
- To foster networking opportunities between current students and successful alumni.

Key Takeaways:

- **Industry Overview:** Ms. Borse provided an overview of the pharmaceutical industry in India, highlighting the key players and the growing demand for skilled chemists.
- **Career Paths:** She discussed various career options available to chemistry graduates, including:
 - Research and Development
 - Quality Control/Quality Assurance
 - Analytical Chemistry
 - Pharmaceutical Manufacturing
 - Regulatory Affairs
 - Sales and Marketing
- **Industry Skills:** Ms. Borse emphasized the importance of practical skills such as:
 - Analytical techniques (e.g., chromatography, spectroscopy)
 - Laboratory techniques (e.g., sample preparation, data analysis)
 - Problem-solving and critical thinking
 - Communication and interpersonal skills
 - Teamwork and collaboration
- **Industry Expectations:** She shared insights into the expectations of employers from fresh graduates, including:
 - Strong foundation in core chemistry concepts
 - Adaptability and willingness to learn new technologies
 - Enthusiasm and a proactive approach to work
- **Personal Growth:** Ms. Borse shared her personal journey, highlighting the challenges she faced and the strategies she employed to overcome them. She emphasized the importance of continuous learning, professional development, and maintaining a positive attitude.

Student Engagement:

- The session was interactive with students actively participating in Q&A sessions.
- Students raised questions related to career options, industry trends, and challenges faced by professionals in the field.

- Ms. Borse patiently addressed all queries and provided valuable guidance.

Overall Impact:

The alumni talk series episode 1 proved to be highly informative and engaging for the students. Ms. Borse's insights into the pharmaceutical industry and her career journey provided valuable guidance to students in their career planning. The session successfully achieved its objectives of providing industry exposure, inspiring students, and fostering networking opportunities.

Recommendations:

- Continue to organize such alumni talk series regularly to expose students to diverse career paths and industry insights.
- Invite alumni from various sectors of the chemical industry to provide a broader perspective.
- Encourage student participation and interaction during the sessions.
- Explore opportunities for internships and industry visits to provide students with hands-on experience.
