Time : 10:00 AM – 01:00 PM

Duration in Days : One Day

Mode of Conduction : Offline

Alumni Name : Dipal Karan Marathe, Advent Plantech Ltd

Participants: Students of School of Science, Sandip University.

Report:

On September 9, 2021, Ms. Pratiksha Borse, a distinguished alumna of our institution and currently serving as a Senior Associate at Choksi Laboratory Pvt. Ltd., Indore, Madhya Pradesh, delivered an enlightening alumni talk. The session provided students with valuable insights into the practical applications of forensic and analytical sciences in industrial settings.

Ms. Borse shared her academic journey, detailing how her education equipped her with the necessary skills to excel in the field of laboratory analysis and quality control. She discussed the significance of analytical testing, regulatory compliance, and the role of advanced instrumentation in ensuring product safety and quality across various industries, including pharmaceuticals, food, and environmental sciences. Her talk emphasized the importance of precision, critical thinking, and continuous skill development for aspiring professionals.

She also provided guidance on career opportunities in the laboratory and research sectors, offering practical advice on internships, certifications, and technical expertise required to succeed. The session was highly interactive, with students engaging in discussions and seeking clarity on industry demands and career pathways. Ms. Borse's inspiring words and real-world experiences left a strong impact on the attendees, motivating them to explore diverse career prospects in analytical sciences.

The event concluded with a heartfelt vote of thanks, recognizing her valuable contribution and the importance of alumni interactions in guiding and mentoring the next generation of professionals.
