About Sandip University, Nashik:

Sandip University established with the aim of providing quality higher education, guided and governed by the policy, rules and regulations of Maharashtra state and under the regulations of the University Grants Commission. This is the first Self-financed private university in North Maharashtra. Sandip University belongs to Sandip Group of Institutions which owns the very well-known Sandip Foundation in Nashik. Sandip University campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students.

About SOET:

Sandip University's School of Engineering and Technology is one of the best Engineering colleges in Nashik and Sijoul. School of Engineering and Technology offers undergraduate and postgraduate courses for Engineering aspirants in fields like Electrical, Aerospace, Civil, Mechanical, Environmental Engineering, town & country planning, and many more. Sandip University aims at helping students become employable through a well-crafted curriculum.

Engineering is one of the oldest professions in the world. Since the advent of time there has been a need for innovative thinkers who can provide scientific solutions for complex problems. Sandip University understands the sanctity of the Engineering profession and so has risen up the ranks to become one of the top Engineering colleges in Nashik, Maharashtra.

Paper Submission

Authors should submit a paper in English, carefully checked for correct grammar and spelling, addressing one or several of the conference areas or topics. Authors are advised to follow ethical norms regarding plagiarism and self plagiarism thoroughly before submitting and must make sure that their submissions do not substantially overlap work which has been published elsewhere or simultaneously submitted to a journal or another conference with proceedings. Papers that contain any form of plagiarism will be rejected without reviews. Authors can submit their work in the form of a Regular Paper, representing completed and validated research, or as a Position Paper, portraying a short report of work in progress or an arguable opinion about an issue

All papers must be submitted through the online submission platform. After the paper submission has been successfully completed, authors will receive an automatic confirmation e-mail.
