The World Café is organized to create a safe, welcoming environment in which to intentionally connect multiple ideas and perspectives on a topic by engaging participants in several round of small group conversation. It was held on 6<sup>th</sup> November 2022 at Chai Tapri Café, Nashik. The event was started by Jiving of the participants. Where all the participants jived according to the AIESEC culture when they had a lot of fun. After that an Ice Breaker session was conducted in which the attendees were told to interact with random people and establish connections. The Ice Breaker was conducted in three rounds in which they were supposed to change their partner after each round and move to a new table.

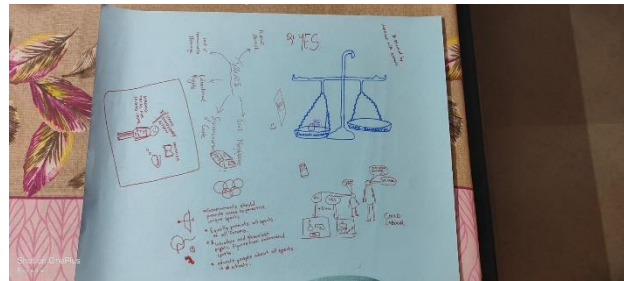

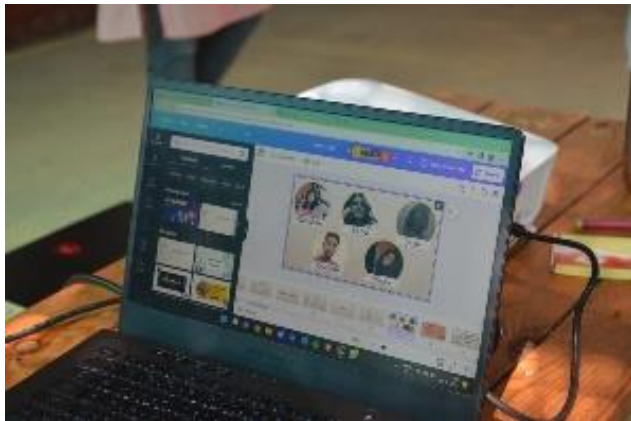

After the Ice Breaker, an introduction session was conducted in which the attendees were introduced to AIESEC. What is AIESEC? What does it do? The introduction session was carried out by Thesnamol Shaji.

After the introduction, we moved on to our next session which included five rounds conducted by our speakers

All the five rounds were conducted well, after that a member of AIESEC Sherin Babu who went on an exchange to Turkey shared her story of her exchange in which she volunteered as a teaching faculty in school of Turkey named Nesibe Aydin Okullari

Then finally we concluded our World Café by closing statements. And participants shared their feedbacks.
