Overview

This report presents the organization, execution, and outcome of the 'Viksit Maharashtra@ 2047' Slogan Competition held at Sandip University Nashik. This initiative was undertaken in alignment with the National vision of 'Viksit Bharat@2047', which commemorates the 100th anniversary of India's independence with a comprehensive development agenda.

The competition was organized in direct response to the directive from the Higher and Technical Education Department, Government of Maharashtra, as stipulated in the official notification (No. 2006793, dated 14-07-2025).

The primary mandate of this directive was to actively involve the youth in the state level 'Viksit Maharashtra@ 2047' mission, ensuring their perspectives and aspirations are integrated into the developmental roadmap.

Objectives

- Bring youth's imagination to future Maharashtra through slogans
- Foster creative thinking and engagement with the state's long-term development goals.

Event Highlights

1. Over 100+ students joined LIVE and submitted their response in the survey link.
2. Real time innovation and Ideation for Maharashtra
3. Chance for students to present their view on stage

Participation & Engagement

- Total Participants: 50
- Volunteers Involved: 2

Students from all years and departments participated, with first and second-year students showing strong interest.

Execution and Participation

The competition was announced, and submissions were accepted in person. To ensure broad participation and inclusivity, students were permitted to submit their slogans in English, Marathi, or Hindi. The response from the student community was highly enthusiastic. A significant number of entries were received from students across various academic departments. The submissions showcased a remarkable diversity of thought, on the key themes such as sustainable technology, smart urban infrastructure, inclusive social development, and modernization in agriculture.

Conclusion & Prospects

The 'Viksit Maharashtra@2047' Slogan Competition successfully met its objectives. It served as a valuable exercise in connecting the student body with a pivotal state level mission, transforming an abstract governmental vision into a personal and tangible concept. The quality and depth of the entries affirm the youth's vested interest in and optimistic outlook for the future of Maharashtra.

The winning slogans, selected by a panel of judges, represent the most compelling articulations of this shared vision. This initiative has proven to be an effective method for fostering patriotic sentiment and constructive participation in nation-building activities at the collegiate level.
