Expert Talk – Control Switching of Circuit Breakers

1. Event Title: Expert talk by Mr. Prashant Rajpal on “Control Switching of Circuit Breakers” for T.Y. and Final Year B.Tech. Engineering students

2. Event Date: 4th October 2019

3. Event Conduction Duration: 10.00 AM to 12:00 PM

4. Event Venue: G112, Y Building, SOET, Sandip University Nasik.

5. Event Resource Person Details:

Mr. Prashant Rajpal
Manager, S-3 R&D,
Product Development, CG

6. Name of Event Coordinator with contact details:

Ms. Roopali Patil

7. Event Outline & Outcome of the event:

Objective of Program: Expert talk was arranged for students to get in depth knowledge of Circuit Breakers, working and control switching application. Mr. Rajpal has been working with CG for past 11 year in R&D department. Currently he is manager and looks after development of new technology for Circuit Breakers.

Output of Program: The lecture was very helpful for students to gain practical perspective on Circuit Breaker Design and working. They learnt about circuit breaker control switching, line diagram, circuit breaker design and components and their manufacturing. Student also got an insight of a working in the department of research and development.

Number Students Attended: 50
