Chairman's Message

The Education is the passport to the future, for tomorrow belongs to those who prepare for it. We had a dream. And we have managed to live that dream with the inception of Sandip University. It gives me immense pleasure in welcoming you to one of the finest research-led, technology powered, 21st century University of India. It has everything a student looks for in a world-class university. We consistently endeavour to transform every student into a future-ready professional of tomorrow.

It is a step in the right direction. The vision and mission of Sandip University are perfectly aligned to the Digital India and Skill India initiatives of the Government of India.

Come; be a part of this education revolution and

Dr. Sandip N. Jha

Honorable Chairman,
Sandip University , Nashik

Dean's Message

The School of Design is committed to provide education that energizes and fulfills our goal of student-focused training and sustainability for society. Our school is structured into two departments: Department of Design & Department of Beauty Cosmetology.

In line with our mission, we offer a wide range of specialized courses designed to nurture student potential and prepare them for future challenges. We also provide PhD program in Fashion Design and Beauty Cosmetology, thereby, helping students achieve academic excellence and innovation in these fields.

Guided by the wisdom of India's visionary scholars, we create opportunity (s) for our students to grow, ensuring they develop the skills needed to become future-ready professionals. As a renowned scholar rightly said: **"Education is the manifestation of perfection already present in man."** - Swami Vivekananda...

What sets our school apart is our dedicated faculty and staff. They are deeply committed to help students become highly skilled professionals who can thrive in a rapidly changing world. Our educational approach blends classroom learning with practical experiences, including internships, industrial visits and opportunities to interact with industrial experts. This combination ensures that students not only understand theoretical concepts but also apply them effectively in real-world settings.

We warmly invite you to visit our campus and meet our faculty. We are confident that the creativity and innovation in our students' work will exceed your expectations and inspire your own imagination.

Dr. Vibha Kapoor
Dean , School of Design

SOD Features

Provides picturesque infrastructure, which help students to get creative inspiration through nature and come up with innovative photographs, drawings and designs.

In-house infrastructure development helps Interior Design students to gain knowledge about on-site construction.

Various lab facilities like Weaving Studio, Dyeing and Printing Studio, Metal & Wood Workshop which will help students get hands-on experience and make actual products and models.

Conducting various guest lectures and workshops which help students to interact with expert industry professionals and experience alternative ways of learning and teaching.

Having tie-ups with reputed designers, design firms and placement assurance for all the students.

Being a multidisciplinary design school, students get exposure to all the design aspects and gain vast knowledge.
