Brief description of Event:

The NCC Department of Sandip University, Nashik, successfully organized the **"Ek Ped Maa Ke Naam"** Tree Plantation Drive under the **SSCD** initiative. The event was conducted under the guidance of **ANO Dr. Parag Chavan** with the support of **NCC Assistant Mr. Kishor Yashwante**. All NCC cadets actively participated in the plantation drive and demonstrated their commitment towards environmental conservation. As a unique tribute to motherhood, each cadet planted a sapling in the name of their mother, symbolizing gratitude, love, and responsibility towards both their mothers and Mother Nature. The event promoted environmental awareness while instilling the values of social responsibility and sustainable living among the cadets.

Objective of the Event:

- To encourage environmental conservation through tree plantation.
- To promote the national campaign **"Ek Ped Maa Ke Naam"** by dedicating a tree to one's mother.
- To create awareness among NCC cadets about the importance of protecting and preserving the environment.
- To develop a sense of responsibility, discipline, and community service among cadets.
- To inspire youth to contribute towards a greener and healthier future.

Outcome of the Event:

The Tree Plantation Drive was completed successfully with enthusiastic participation from all NCC cadets. Every cadet planted a sapling in the name of their mother, making the event both meaningful and memorable. The activity strengthened environmental consciousness, promoted the importance of afforestation, and encouraged cadets to take responsibility for nurturing the planted trees. The event also reinforced the core values of the NCC—leadership, discipline, social service, and environmental stewardship—while contributing to a cleaner and greener campus.
