Brief description of Event:

A PI Staff Lecture was organized by the NCC Unit, Sandip University, Nashik, on **11 September 2026** under the guidance of **7 Maharashtra Battalion NCC, Nashik**. The lecture was delivered by **Sub. Babasaheb Takale**. The session focused on important aspects of NCC military training, including **22 Rifle Data, Map Reading (MR), Drone, Firing Range procedures and Compass**.

The lecture provided cadets with theoretical and practical knowledge related to weapon training, navigation, field orientation and the use of modern technology in military operations. The instructor explained the topics systematically and encouraged cadets to actively participate and clarify their doubts.

Objective of the Event:

- To provide cadets with basic and essential knowledge of **22 Rifle Data**.
- To develop understanding of **Map Reading and Compass navigation**.
- To familiarize cadets with the basic role and applications of **drones** in defence and field operations.
- To educate cadets about **Firing Range procedures and safety precautions**.
- To enhance the practical knowledge and military awareness of NCC cadets.
- To prepare cadets for future **NCC camps, firing practices and field training**.

Outcome of the Event:

The lecture enhanced the cadets' knowledge of **22 Rifle, Map Reading, Compass, Drone technology and Firing Range procedures**. Cadets gained a better understanding of navigation techniques, weapon-related information and essential safety practices. The session also improved their awareness of modern defence technology and strengthened their confidence for participating in future NCC training activities and camps.
