Workshop on
“Using Excel for Data Science”
Report

1. **Event Title:** Workshop on Using Excel for Data Science
2. **Event Date:** *03 Dec 2022, Saturday*
3. **Event Venue:** Smart Classroom, SOCMS
4. **Name of Event Coordinator:** Dr. Ajit Kumar & Mrs. Madhuri Tambe

Event Description:

Workshop on basics on excel was conducted for BBA(Plain) and BBA(BA) students on 03 Dec 2022. It was a half day workshop from 10:30 AM to 1:00 PM in the Smart classroom of SOCMS. The workshop was organized for those students in the view of giving them clarity on the basics of MS Excel.

Contents Taken in the workshop

- Identify Excel Components
- Description of tool bar
- Creating Spreadsheet
- Excel Arithmetic operators
- Functions

Outcome of the Workshop

Management course includes excel as a practical topic. Students enrolled in management courses should have fundamental understanding of excel. At the end of the session students were able to create spreadsheet and use basic functions on their own.
