- 6. Event Outline & Outcome of the Event:**

Outline of program: School of commerce and management studies, Sandip University had organized a program on the topic of '**Opportunities for Management Students in Media & Entertainment Industry**' on 19th Sept, 2019. The program was conducted by Speaker Mr. Vishal Dada Shinde.

Film Director& Actor.

Output of the program: The program was conducted very successfully. All the students' and even the faculty members took the advantages of the session. Everyone present in the Seminar hall understood what are the various opportunities in the Media & Entertainment Industry for Management Students. He shared his own life journey and his own experience to motivate everyone how to face the hurdles of life and step forward to the goal. From this event all students learnt about how they can opt for the best career option for themselves and they came to know what happens when they don't know how to act in certain situations. The entire session was so knowledgeable and inspirational for all the management students.
