7. Event Outline & Outcome of the event:

Outline of Program: School of management studies, Sandip University organized an expert speak on ‘Corporate life Experiences and Learnings’ on 7th Sept, 2017. The expert speaker for the guest lecture was “Mr. Shashank Jhaver” who has been working as a visiting faculty at Georgia State University, Robinson Business School – Atlanta. He had been an experienced leader with over 20 years of diverse global experience and proven success in developing teams with international experiences. During the lecture, the students were guided on what corporate world expects from them. The students were given inputs on goal setting & how to achieve them. The expert speaker shared his cross cultural experiences of having worked in various countries across United States, Europe, United Kingdom, South Asia and Latin America.

Output of Program: The lecture delivered by Mr. Shashank Jhaver was a great learning experience for the students. Students were able to learn the ways in which they can deal with cultural shocks while working across different countries.
