Event: Induction Programme 2026

Place: School of Pharmaceutical Sciences, Sandip University, Mahiravani, Trimbak Road, Nashik – 422213

Date: 10/08/2026 to 14/08/2026 (Day 1 to Day 5)

Timings: 10:00 AM to 5:00 PM

Details of the Event

Date of event: 10th to 14th August 2026 (5-Day Programme)

Name of Event: Induction Programme 2026

Venue: School of Pharmaceutical Sciences, Sandip University, Mahiravani, Trimbak Road, Nashik

Time: 10:00 AM – 5:00 PM (day-wise timings as per schedule)

Details of Speaker / Designation

- Shri Atul Ashokrao Ahire, President, Maharashtra State Pharmacy Council — "Pharmacy as a Profession: Career Pathways" (Day 1, Guest of Honour)
- Ms. Shailee Pandya, Assistant Professor — academic orientation session (Day 2)
- Dr. Sumit R. Deore — course structure & academic framework (Day 2)
- Dr. Sonali Waghmare — examination structure, credit system & marks allotment (Day 2)
- Mr. Sanket Vakte, Research Associate & Chemistry Lab Incharge, SPM's Principal B.V. Bhide Research & Training Institute, Pune — herbal formulations & career pathways (Day 3, Alumnus)
- Dr. Raosaheb Ghegade, Dr. M. S. Gosavi College of Pharmaceutical Education & Research, Nashik — Intellectual Property Rights (Day 3)
- Dr. Rohan Pawar, Director, RAP Analytical Research Pvt. Ltd., Nashik — career opportunities in the pharmaceutical field (Day 4)
- Dr. Sandhya L. Borse — academic and professional development session (Day 4)

Name of Coordinator: Dr. Balaji Matore

Number of Participants: Newly admitted B. Pharm and D. Pharm students, AY 2026-27

Brief Description of Event

The School of Pharmaceutical Sciences, Sandip University, organized a five-day Induction Programme 2026 (10th–14th August 2026) for newly admitted B. Pharm and D. Pharm students. The programme was designed to familiarize students with the university campus, academic structure, faculty, and career pathways in the pharmacy profession.

Day 1 (10/08/2026)

The programme was graced by Hon'ble Vice-Chancellor Dr. Pavan Baldhare, Hon'ble Registrar Dr. Pravin Bharti, Hon'ble Academic Dean Dr. D. D. Shinde, Hon'ble Controller of Examinations Dr. Vijay Birari, and Guest of Honour Shri Atul Ashokrao Ahire, President, Maharashtra State Pharmacy Council. Proceedings commenced with Saraswati Pujan, followed by felicitation of the dignitaries and their inaugural addresses encouraging students toward academic excellence, professional ethics and innovation. Shri Atul Ashokrao Ahire delivered a special session on "Pharmacy as a Profession – Career Pathways," introducing students to the role, responsibilities and diverse career opportunities available to pharmacy professionals. The day also included a Library and School of Pharmaceutical Sciences visit, and concluded with interactive games and activities to help newly admitted students bond with one another.

Day 2 (11/08/2026)

Day 2 focused on academic orientation, curriculum understanding and familiarisation with the School's learning and laboratory facilities. The day began with a session by Ms. Shailee Pandya, followed by Dr. Sumit R. Deore, who presented an overview of the course structure and academic framework, and Dr. Sonali Waghmare, who explained the examination structure, credit system and marks allotment. Students then took part in an Ice-Breaker and Interaction Session with senior students from the Third and Final Years. The day continued with a campus and laboratory tour: Dr. Rupali Wagh guided students through the Central Instrumentation Room and various laboratories, and Dr. Pradeep Deshmukh introduced the Animal House/Animal Rooms and their role in pharmaceutical research and practical learning.

Day 3 (12/08/2026)

Day 3 covered departmental orientation, student support systems, career insights and international perspectives. Dr. Ramdas T. Dolas introduced the Department of Pharmaceutics, and Mr. Darshan Ahire conducted a Department of Student Welfare (DSW) session covering university clubs and extracurricular activities. Dr. Pradeep Deshmukh oriented students on the FAS system, followed by a Faculty Introduction Session. Mr. Sanket Vakte, an alumnus of the School, spoke on careers in herbal formulations and shared guidance on future career pathways. Dr. Raosaheb Ghegade conducted a session on Intellectual Property Rights (IPR), and Ms. Rashida Umar, an international student from South Sudan, shared her experience of studying at Sandip University, offering a global perspective on pharmacy education.

The day commenced with an informative and motivating session by Dr. Rohan Pawar, Director, RAP Analytical Research Pvt. Ltd., who addressed the newly admitted students on career opportunities in the pharmaceutical field, highlighting diverse career pathways and encouraging students to identify their areas of interest and develop relevant skills. This was followed by an academic session conducted by Dr. Sandhya L. Borse, further enriching students' understanding of academic and professional development. After the break, students were introduced to the International Affairs Cell, learning about its role and the opportunities available for international exposure and global academic interaction. The academic and orientation sessions were followed by an energetic Cricket Tournament, organised to encourage student interaction, teamwork, leadership and sportsmanship.

Welcoming the Future of Pharmacy

KEY HIGHLIGHTS OF OUR CHIEF GUEST

- Director, RAP Analytical Research Pvt. Ltd.
Leading advanced analytical research since 2012, specializing in pharmaceutical, biotechnological, herbal, agricultural & synthetic product research.
- Expert in Advanced Analytical Techniques
Proficient in LC-MS/MS, GC-MS, HPLC, UPLC, HPLC, FPLC, SP-MS, CE and pharmaceutical assays & data analysis.
- Guided 750+ Ph.D. & 1200+ Master's Projects
Mentoring the next generation of scientists across pharmaceutical analysis, pharmacology, and interdisciplinary sciences.
- NABL Certified Internal Auditor
Accredited for ISO/IEC 17025:2017 Laboratory Quality Management Systems.
- Delivered 600+ Expert Talks
Conducted national & international workshops on advanced analytical techniques, research writing, entrepreneurship & career development.
- Recognized Contributions
Research appreciated by FDI, AUSA and Shree Siddhanta University, Shree Siddhanta University.

Day 5 (14/08/2026)

Day 5 focused on providing students with practical, industrial exposure to pharmaceutical manufacturing. As part of the programme, students visited Vital Healthcare, where they observed the manufacturing process of injectable formulations, covering the complete workflow — dispensing, manufacturing, filtration, sterilization, packaging and dispatch of

pharmaceutical products. The visit helped students understand the importance of GMP, sterility, quality control and systematic manufacturing practices in producing safe and effective injectable medicines, connecting classroom learning with real-world pharmaceutical manufacturing.

Objective of the Event

To orient newly admitted students to the University and School environment; introduce them to the academic structure, examination pattern, and administrative systems (SOPs, FAS); familiarize them with departments and faculty; expose them to diverse career pathways in the pharmaceutical profession through guest lectures from industry experts; and inform them about co-curricular, extracurricular, and support facilities (library, sports, clubs, NCC/NSS, International Affairs Cell) available at the University.

Outcome of the Event

The Induction Programme successfully helped newly admitted students understand the B.Pharm course structure, academic regulations, examination system, and university guidelines. Students were introduced to the Pharmacy profession, career opportunities, higher education, research, and various pharmaceutical sectors. They also became familiar with the faculty members, departmental facilities, laboratories, library, campus resources, and student support services. The programme helped students gain confidence, develop a positive attitude towards pharmacy education, and smoothly transition into university life.
