DEAN'S MESSAGE

Welcome to Sandip University's School of Pharmaceutical Sciences (SOPS). SOPS was established with the objective of making it a centre of excellence in pharmacy education, research, and development. Pharmacy is a lifesaving science which is considered to be one of the oldest sciences known to mankind. The work of the Pharma may be regarded as a precursor of the modern sciences of chemistry and pharmacology, prior to the formulation of the scientific method.

I promise a focused and top-ranking Pharmaceutical Institute, as one of its kind in Central India with an endeavour to create a community of Pharmacists with a professional approach in this region. My every endeavour for this school will be dedicated towards the advancement and education of our students in Pharmaceutical Sciences other distinguished areas that will best serve the pharmaceutical industry, society, nation, and the world.

I guarantee that you will have a well-rounded and dynamic educational experience at SOPS.
