

Report on “Know Your Industry” – TCS Expert Session 2026

The Central Training & Placement Cell of Sandip Foundation and Sandip University, Nashik organized an expert session under the “Know Your Industry” initiative with Tata Consultancy Services (TCS). The session was conducted to strengthen industry–academia interaction and provide students with direct exposure to experienced professionals from the corporate sector. The interaction served as a platform for students to understand industry practices, professional expectations, technology-driven business environments, and career opportunities through insights shared by senior professionals from TCS.

For All Final Year Students of Engineering and Management of SF & SUN.

1. Introduction

The Central Training & Placement Cell of Sandip Foundation and Sandip University organized an insightful "Know Your Industry" expert session in association with TCS. The session provided students with an opportunity to interact with senior industry professionals and gain practical exposure to the corporate and technology landscape. The interaction was intended to bridge the gap between academic learning and industry expectations while helping students understand the importance of professional skills, technology awareness, continuous learning, and career readiness.

2. Objectives of the Program

The primary objectives of the session were to:

- Bridge the gap between academic learning and industry practices.
- Provide students with direct interaction with experienced professionals from TCS.
- Create awareness about corporate expectations and professional work environments.
- Provide insights into technology-driven business and delivery environments.
- Enhance students' understanding of emerging career opportunities and industry requirements.
- Motivate students towards continuous learning, skill development, and professional growth.

3. Resource Persons

1. Mr. Pravin Bhamre – Global Delivery Head, TCS
2. Mr. Dinesh Kothawade – SAP Delivery Head, TCS

4. Program Highlights

- The session commenced with a welcome and introduction of the distinguished resource persons from TCS.
- Mr. Pravin Bhamre, Global Delivery Head, TCS, shared valuable perspectives from the corporate and global delivery environment.
- Mr. Dinesh Kothawade, SAP Delivery Head, TCS, provided insights related to SAP delivery and technology-driven professional environments.
- The interaction highlighted the importance of industry-relevant technical knowledge and professional skills.
- Students gained exposure to corporate expectations and the importance of continuous upskilling.
- The resource persons shared practical perspectives that helped students connect their academic learning with real-world industry requirements.
- The session included interaction between students and the resource persons, providing an opportunity to seek guidance and clarify questions.

5. Outcomes of the Session

- Students gained direct exposure to experienced professionals from TCS.
- Students developed better awareness of corporate expectations and industry practices.
- The session enhanced students' understanding of technology-driven professional environments.
- Students gained awareness of the importance of continuous learning and industry-relevant skill development.
- The interaction contributed to students' career awareness and industry readiness.
- The session strengthened industry-academia interaction between TCS and Sandip Foundation & Sandip University.

6. Conclusion

The "Know Your Industry" TCS expert session proved to be an informative and valuable interaction for the participating students. The session provided meaningful exposure to the corporate and technology landscape through the experience shared by Mr. Pravin Bhamre and Mr. Dinesh Kothawade of TCS. The interaction helped students understand the importance of industry expectations, technology awareness, professional skills, continuous learning, and career preparation. Overall, the session contributed to strengthening students' industry orientation and readiness for future professional opportunities.

7. Acknowledgment

The Central Training & Placement Cell extends sincere gratitude to Mr. Pravin Bhamre, Global Delivery Head, TCS, and Mr. Dinesh Kothawade, SAP Delivery Head, TCS, for sharing their valuable time, professional experience, and industry insights with the students. The Cell also acknowledges the support and cooperation of the university authorities, faculty members, coordinators, and students in making the "Know Your Industry" session successful.
