

## **Report on “Meet with Industry” Program 2026**

The "Meet with Industry" Program 2026 was organized by the Central Training & Placement Department of Sandip University and Sandip Foundation, Nashik with the objective of strengthening industry-academia collaboration and enhancing students' career readiness. The session provided MBA students with an opportunity to interact directly with experienced industry leaders, who shared valuable insights into current industry trends, product leadership, innovation, and professional expectations. The program served as an excellent platform for bridging the gap between classroom learning and practical industry requirements while motivating students to develop the skills necessary for successful careers in the corporate world.

## 1. Introduction

The Central Training & Placement Department of Sandip University and Sandip Foundation organized an insightful session titled “Meet with Industry”, an Industry–Academia Interaction Program. The event was conducted to provide students with exposure to real-world industry practices and to bridge the gap between academic learning and corporate expectations.

## 2. Objectives of the Program

The primary objectives of the session were to:

- Bridge the gap between academia and industry
- Provide practical insights into the corporate world
- Inspire management students through real-life experiences
- Enhance awareness about product leadership, innovation, and career growth

## 3. Guest of Honour

The program was graced by:-

**Mr. Ankur Srivastava, Chief Product Officer & Co-founder, Trexo Global & Mr. Krishna Joshi, Head Business Analyst Group ,& Site Leader, Trexo Global**, who shared their valuable industry insights and professional journey with the students.

The program was coordinated by:

- **Program Coordinator :- Prof. Amit Manapure, CTPO – SF & SUN**
- **Event Coordinator :- 1) Prof. Vivek Vispute , CTPO – SF & SUN**  
**2) Prof. Pradeep Girhe, TPC, MBA, SITRC**

## 4. Program Highlights

- The session commenced with a warm welcome and introduction of the guest.
- The program was effectively coordinated by the Central Training & Placement team under the leadership of the guiding authorities.
- **Mr. Ankur Srivastava & Mr. Krishna Joshi** shared their journey in product leadership, innovation, and entrepreneurship.
- Key insights were provided on **industry expectations, employability skills, and career development.**
- The session included an engaging interaction where students asked questions and received expert guidance.

## 5. Outcomes of the Session

- Students gained valuable exposure to current industry trends.
- Improved understanding of skills required for corporate success.
- Enhanced motivation among students for career planning and development.
- Strengthened industry-academia collaboration.

## 6. Conclusion

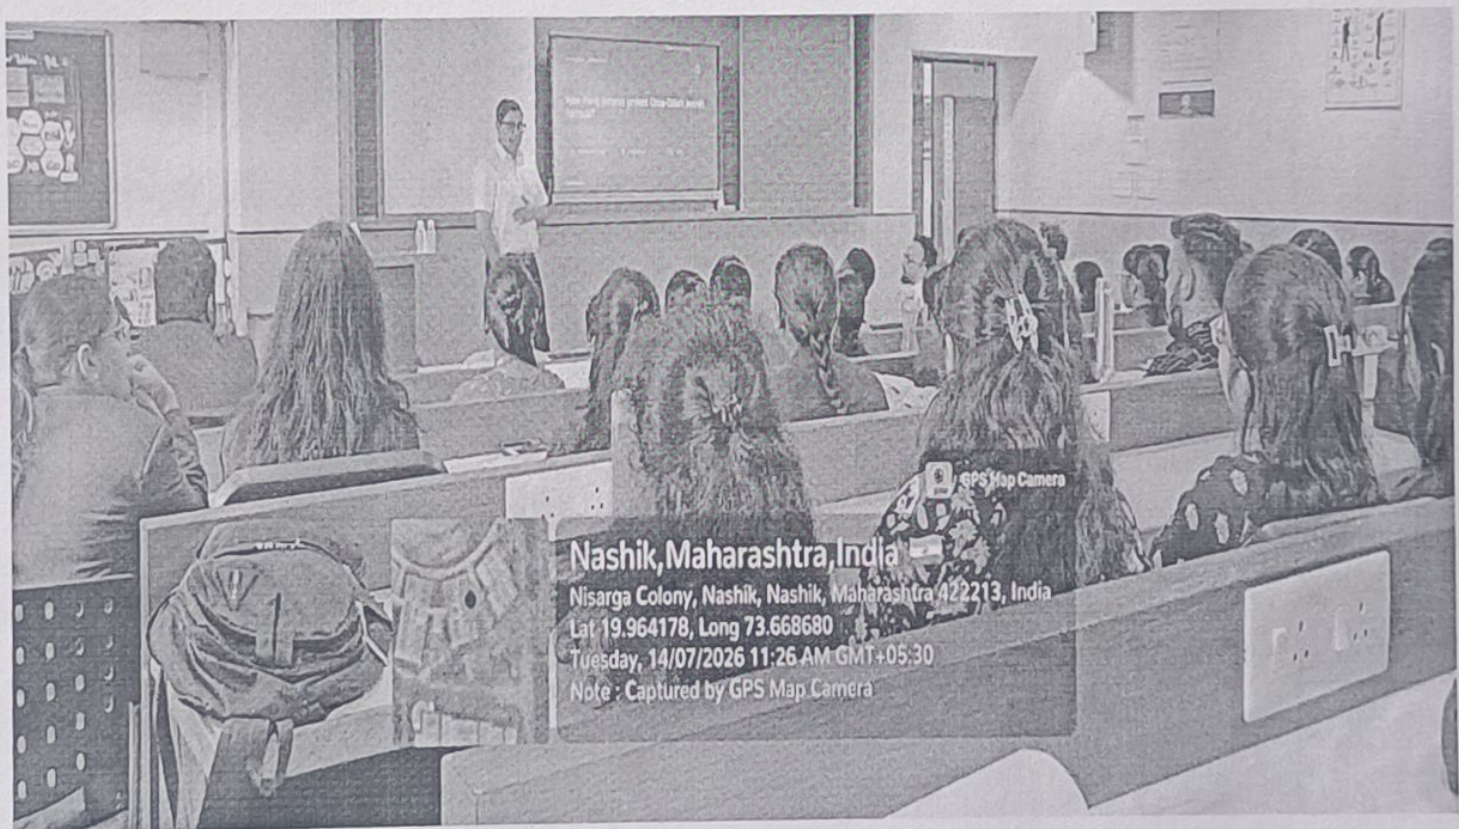

The “Meet with Industry” program proved to be highly informative and beneficial for MBA students. The session provided valuable exposure to real-world industry practices, helping students understand current market expectations and career opportunities. It enhanced their knowledge of product management, innovation, and essential employability skills such as communication, problem-solving, and adaptability. Overall, the program played a significant role in boosting students’ confidence, industry readiness, and motivation to excel in their professional careers.

## 7. Acknowledgment

The Central Training & Placement Department extends sincere gratitude to **Mr. Ankur Srivastava & Mr. Krishna Joshi** for sharing their valuable time and insights. The department also acknowledges the continuous support and guidance of **Dr. Abhay Bora, Dr. Prasad P. Kulkarni, and Prof. Amit Manapure,** along with faculty members and students, for making the program a grand success.

Interactive session between the industry experts and MBA students during the question-and-answer segment.

Students actively participating in the "Meet with Industry" interaction session.
