# ABOUT SANDIP UNIVERSITY

Sandip University is a cutting-edge hub of futuristic education. Here, students are trained to understand the science behind medicine to fit into a futuristic industry. Sandip University's School of Pharmaceutical Sciences (SOPS) is a world class institution where students receive globally-recognised education. India is known as the Pharmacy of the World and we are here to train generation after generation of bright scientists to drive this industry forward.

## OUR USP

250+ Acre Wi-Fi Enabled Campus

Highly Qualified & Experienced Faculty

120+ Patents Filed &  
57 Copyrights Received

Awarded Prestigious Research Grants

Value Added & Certification Programs

Industry- Synced Curriculum &  
Skill-Based Training

10,000+ Global Alumni Network

# ABOUT SOPS

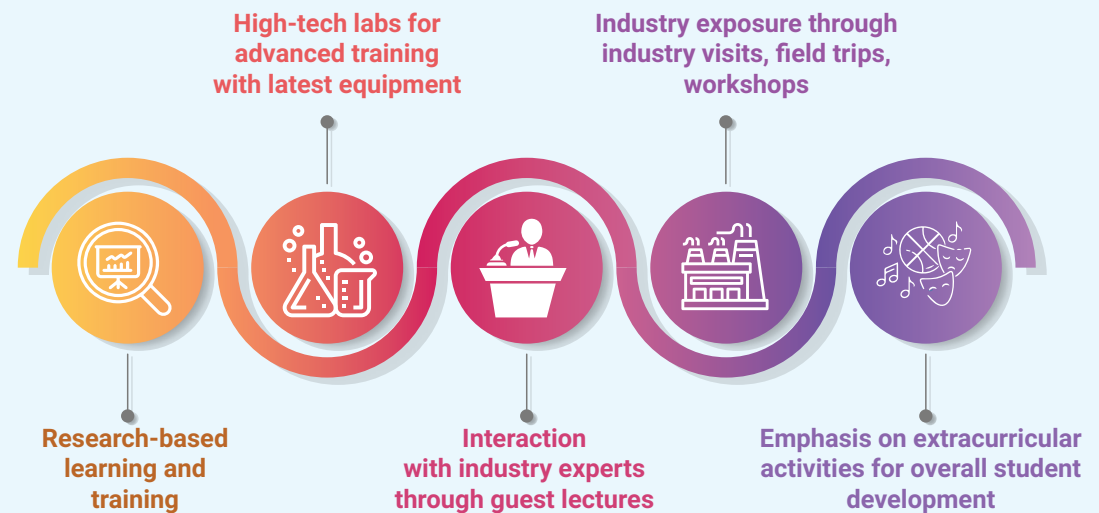

---

Sandip University's School of Pharmaceutical Sciences (SOPS) is a cutting-edge institution with focus on research-based training. Recognised by the Pharmacy Council of India, Sandip School of Pharmaceutical Sciences offers state-of-the-art diploma, undergraduate, postgraduate and Ph.D courses. The course curriculum is designed to help students gain the latest knowledge and relevant training as per industry standards.

Students are trained in high-tech pharmacy labs with the latest equipment to prepare them for a lucrative career in the industry. Besides this, students receive relevant opportunities to develop their technical and soft skills relevant to pharmaceutical science. They are groomed to become future leaders of the pharmacy sector in India and around the world.

## HIGHLIGHTS

## CHAIRMAN'S MESSAGE

As a young student, selecting a university to pursue higher education from can be a daunting task. Your university will be your home and family for the next few years, and will constantly bring life-altering experiences and opportunities to you that will shape your future. What attracts students to Sandip University from across India and the globe is the fact that we are unwaveringly dedicated to enhancing your student experience through world-class infrastructure, well-qualified faculty, and exemplary teaching facilities. Our reputation is steeped in serving career-oriented students finding their niche in life. At Sandip University our vision and mission are perfectly aligned to the Digital India and Skill India initiatives of the Government of India. We look forward to seeing you at Sandip University.

**DR. SANDIP JHA**

CHAIRMAN, SANDIP UNIVERSITY, NASHIK

## DEAN'S MESSAGE

---

Welcome to Sandip University's School of Pharmaceutical Sciences (SOPS). SOPS was established with the objective of making it a centre of excellence in pharmacy education, research, and development. Pharmacy is a lifesaving science which is considered to be one of the oldest sciences known to mankind. The work of the Pharma may be regarded as a precursor of the modern sciences of chemistry and pharmacology, prior to the formulation of the scientific method.

I promise a focused and top-ranking Pharmaceutical Institute, as one of its kind in Central India with an endeavour to create a community of Pharmacists with a professional approach in this region. My every endeavour for this school will be dedicated towards the advancement and education of our students in Pharmaceutical Sciences other distinguished areas that will best serve the pharmaceutical industry, society, nation, and the world.

I guarantee that you will have a well-rounded and dynamic educational experience at SOPS.

# PROGRAMS OFFERED

## DIPLOMA PROGRAM

- Diploma in Pharmacy (D.Pharm)  
Duration: 2 Years

## UG PROGRAM

- Bachelor of Pharmacy (B.Pharm)  
Duration: 4 Years

## DIPLOMA & UG PROGRAM ELIGIBILITY CRITERIA

**B. Pharma:** Passed 10+2 examination with Physics and Chemistry as compulsory subjects along with Mathematics/Biology subject

**D. Pharma:** Passed 10+2 examination with Physics and Chemistry as compulsory subjects along with Mathematics/ Biology subject.

## DIPLOMA AND UG PROGRAM OUTCOME

- Enhanced skill development in high-tech labs
- A deeper understanding of the study material
- Development of strong interpersonal skills
- Capability to work in a global healthcare institution
- Exposure to global industries through extracurricular activities
- Development of critical, creative, and analytical thinking

## PG PROGRAM

- M.Pharm (Pharmaceutics)
- M.Pharm (Pharmacology)
- M.Pharm Pharmaceutical Quality Assurance
- M.Pharm Industrial Pharmacy

## PG PROGRAM ELIGIBILITY CRITERIA

B.Pharm degree from an institute approved by the Pharmacy Council of India

## PG PROGRAM OUTCOME

- Research-based pedagogy and training
- Focus on overall student development
- Enhanced technical skills with training in advanced high-tech labs
- Interaction with industry experts for industry exposure
- Globally-recognised qualifications for wider career opportunities

# VALUE ADDITION & GLOBAL CERTIFICATION PROGRAMS

These are the value addition and global certification programs integrated into the course curriculum for various programs at SOPS. These programs are designed to help students gain the right skills and training in pharmaceutical sciences.

COURSE NAME	VALUE ADDITION PROGRAMS	SKILL DEVELOPMENT PROGRAMS
D.Pharm	Pharmaceutical Marketing Strategy and Managerial Skills	
B.Pharm	Good Laboratory Practices / Good Manufacturing Practices	Application Writing / Content Writing for Various Applications
	Pre-Formulation Studies	Preclinical Animal Handling Skill
	Medical Coding	Scientific content writing skill (VAP)

## KEY FEATURES

100% placement assistance

Students trained through mock interviews

One-on-one career counselling

Industry-wise training for better career opportunities

Skill development through training modules

## PLACEMENTS AT SANDIP UNIVERSITY

STUDENTS FROM SCHOOL OF PHARMACEUTICAL SCIENCES PLACED AT TOP PLACEMENT PARTNERS
