Brief description of Event:

The Department of Computer Science & Application, School of Computer Sciences & Engineering, Sandip University, Nashik, successfully organized **Alumni Meet 2026** on **18 July 2026** at the SOCMS Seminar Hall. The event was conducted to strengthen the relationship between the institution and its alumni while providing a platform for interaction among alumni, students, and faculty members.

The programme commenced with the traditional lamp lighting ceremony followed by the welcome address delivered by the Associate Dean. Alumni from various organizations and industries shared their professional journeys, career experiences, higher education opportunities, and valuable insights into current industry trends.

An interactive session was organized where students actively participated by asking questions related to career planning, technical skills, higher studies, entrepreneurship, and

placement preparation. Alumni also encouraged students to continuously upgrade their technical knowledge and develop professional skills to meet industry expectations.

The event concluded with a vote of thanks, followed by a networking session and group photographs. The Alumni Meet strengthened the bond between the alumni and the university while inspiring students to pursue their career goals with confidence.

Objective of the Event:

The Alumni Meet Programme was organized to strengthen the bond between the alumni and the Department of Computer Science & Application, Sandip University. The event aimed to reconnect alumni with their alma mater, promote networking, encourage the sharing of professional experiences, inspire current students, and build a strong alumni network that supports the academic and overall development of the department.

Outcome of the Event:

The Alumni Meet successfully strengthened the bond between the alumni and the department. It provided a platform for networking, knowledge sharing, and career guidance, while encouraging alumni participation in future departmental activities and supporting the overall growth of the department.
