Awareness Program on AI Tools under Community Engagement Program

The School of Computer Sciences and Engineering, Sandip University, Nashik, organized an Awareness Program on AI Tools at Nutan Vidyalaya, Trimbakeshwar. The programme aimed to create awareness among students about AI tools, their educational applications, and responsible use. Faculty members demonstrated various AI tools and their practical uses. Students actively participated and showed keen interest in the session.

Conclusion & Remarks

The programme concluded successfully with enhanced awareness of AI tools and their applications in education. A vote of thanks was offered to the school authorities, faculty members, organizers, and students for their active participation.
