Name of Coordinator: Ms.Monali Jadhav (Assistant Professor)

Number of Participants: 45

Organizing Committee: Faculty Members and Student Volunteers of the Department of Computer Science & Application

Brief description of Event:

The Department of Computer Science & Application, School of Computer Science & Engineering, Sandip University, Nashik, organized a Parents–Teacher Meeting on 26th September 2026 in hybrid mode. The meeting was organized to strengthen communication between parents and faculty members and to discuss the academic performance, attendance, discipline, and overall development of students.

The meeting commenced with a warm welcome to the parents and an introduction to the purpose of the interaction. Faculty members discussed the students' CIA-2 performance, subject-wise academic progress, assignment and practical performance, attendance, classroom participation, and discipline.

Parents were provided with feedback regarding their ward's strengths and areas requiring improvement. Faculty members also discussed students' communication skills, participation, teamwork, confidence, and overall classroom behavior. Parents were encouraged to provide appropriate guidance and academic support to their wards.

The meeting also provided an opportunity for parents to share their suggestions, concerns, and feedback regarding their ward's academic progress. Faculty members discussed future academic planning, examination preparation, skill development, projects, certifications, internships, and career-related development wherever appropriate.

The meeting concluded with a discussion of action points and target improvements for students. The faculty members thanked the parents for their active participation and cooperation in supporting the academic and overall development of their wards.

Objective of the Event:

The main objective of the Parents–Teacher Meeting was to establish effective communication between parents and faculty members and to support the academic and overall development of students.

The event aimed at:

- Provide parents with information about their ward’s CIA-2 performance and academic progress.
- Discuss students’ subject-wise performance, assignments, practical work, and classroom participation.
- Inform parents about students’ attendance, punctuality, and discipline.
- Discuss students’ overall development, including communication, teamwork, confidence, and participation.
- Identify the strengths and areas requiring improvement for individual students.
- Provide an opportunity for parents to share their suggestions, concerns, and feedback.
- Encourage parents to provide appropriate academic guidance and support at home.
- Discuss students’ future academic goals, skill development, projects, certifications, and career preparation.
- Strengthen parent–teacher communication and collaboration.
- Develop a supportive academic environment for the overall development of students.

Outcome of the Event:

The Parents–Teacher Meeting was successfully conducted and provided an effective platform for interaction between parents and faculty members regarding students’ academic progress and overall development.

The event resulted in the following outcomes:

- Parents received information about their ward’s CIA-2 performance and academic progress.

- Faculty members discussed students' strengths and areas requiring improvement with parents.
- Parents were informed about students' attendance, discipline, assignments, practical work, and classroom participation.
- The interaction helped strengthen communication and coordination between parents and faculty members.
- Parents shared their suggestions, concerns, and feedback regarding their wards.
- Faculty members and parents discussed appropriate measures to support students' academic improvement.
- Students' development in areas such as communication, teamwork, confidence, and participation was discussed.
- Parents were encouraged to support students in developing regular study habits and technical skills.
- Future academic planning and preparation for examinations, projects, certifications, internships, and career development were discussed.
- The meeting helped establish clear action points and improvement targets for students.
- The interaction promoted a positive and collaborative relationship among students, parents, and faculty members.
