Brief description of Event:

The Department of Computer Science & Applications, School of Computer Science & Engineering, Sandip University, Nashik, organized a Teachers' Day Celebration on 03rd September 2026 at C7 Classroom in S building. The event was organized to recognize and appreciate the invaluable contribution of teachers in guiding students and supporting their academic, professional, and personal development.

The celebration commenced with a welcome to the faculty members and participants. The programme included activities planned by the students to express their gratitude and respect towards their teachers. Faculty members were acknowledged for their continuous guidance, mentorship, and support.

Students actively participated in the celebration and contributed to the successful organization of the Programme. The event provided a platform for students and faculty members to interact in a warm and engaging environment. The activities and interactions conducted during the celebration helped create a positive and memorable experience for both teachers and students.

The Programme concluded with a vote of thanks, acknowledging the support and contribution of the university authorities, department faculty members, coordinators, student volunteers, and all participants who contributed to the successful conduct of the celebration.

Objective of the Event:

The main objective of the Teachers' Day Celebration was to express gratitude and appreciation towards teachers for their contribution to the academic, professional, and personal development of students.

The event aimed to:

- Express gratitude towards teachers for their continuous guidance and support.
- Recognize the contribution of faculty members towards students' academic and overall development.
- Strengthen teacher-student relationships through meaningful interaction and celebration.
- Provide students with an opportunity to express their respect and appreciation towards their teachers.
- Encourage student participation in organizing and conducting institutional activities.
- Promote a positive and respectful academic environment within the department.
- Develop students' organizational, communication, leadership, and teamwork skills.
- Celebrate the values of teaching, mentorship, and education.

Outcome of the Event:

The Teachers' Day Celebration was successfully conducted and provided an engaging platform for students and faculty members to come together and celebrate the invaluable role of teachers in shaping students' academic and personal growth.

The event resulted in the following outcomes:

- Students expressed appreciation and gratitude towards faculty members.
- The celebration strengthened the bond between teachers and students.
- Students gained experience in planning and organizing an institutional event.
- The programme created a positive and joyful atmosphere within the department.
- Faculty members were recognized for their guidance, mentorship, and contribution.
- Student participation encouraged teamwork, leadership, creativity, and communication.
- The event promoted mutual respect and a stronger sense of belonging within the department.
