Subject: Notice for Expert Lecture on Artificial Intelligence – 31st August 2026

The Department of Computer Science & Applications, School of Computer Science & Engineering, Sandip University, Nashik, is pleased to organize an Expert Lecture on Artificial Intelligence. The lecture is organized to provide students with valuable insights into the concepts, applications, and recent developments in Artificial Intelligence.

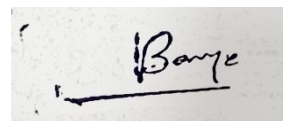

Event: Expert Lecture on Artificial Intelligence

Venue: C3, Second Floor, 'S' Building

Date: 31st August 2026

Timings: 10:15 AM – 12:15 PM

All students are encouraged to participate actively in the expert lecture and gain knowledge about Artificial Intelligence from the resource person. The session will provide an excellent opportunity for students to enhance their understanding of AI, explore its real-world applications, and learn about emerging trends and opportunities in the field.

Associate Dean

Event Name: Expert Lecture on Artificial Intelligence

Details of the Event:

Date of event: 31st August 2026

Name of Event: Expert Lecture on Artificial Intelligence

Venue: C3, Second Floor, 'S' Building

Time: 10:15 AM – 12:15 PM

Duration: 2 Hours

Name of Coordinators:

- Mr. Gaurav Durgude, Assistant Professor

Number of Participants: 59

Resource Person: Dr. Deepali Chaudhari, Assistant Professor, CSA, SOCSE, Sandip University, Nashik (MH), India.

Organizing Committee: Faculty Members and Student Volunteers of the Department of Computer Science & Applications, School of Computer Science & Engineering, Sandip University, Nashik.

Brief description of Event:

The Department of Computer Science & Applications, School of Computer Science & Engineering, Sandip University, organized an **Expert Lecture on Artificial Intelligence** on **31st August 2026** at **C3, Second Floor, 'S' Building**. The session was conducted by **Dr. Deepali Chaudhari, Assistant Professor, CSA, SOCSE, Sandip University, Nashik**, and was attended by **60 participants**. The lecture focused on providing students with an understanding of Artificial Intelligence, its applications, recent developments, and emerging opportunities in the field.

Objective of the Event:

The objective of the event was to provide students with a better understanding of **Artificial Intelligence (AI), its applications, and its importance in today's technology-driven world**. The session aimed to familiarize students with the latest developments and real-world applications of AI, encourage innovative thinking, and create awareness about the various learning and career opportunities available in the field of Artificial Intelligence.

Outcome of the Event:

The expert lecture helped students gain a better understanding of **Artificial Intelligence, its applications, and its role in various fields**. Students became aware of recent developments and emerging trends in AI and learned about its practical and real-world applications. The session also encouraged students to develop an interest in AI, explore innovative ideas, and consider future learning and career opportunities in the field of Artificial Intelligence.
