Outline of Program: Department of Computer Science & Application, School of Computer Sciences and Engineering organized Introduction to SWAYAM Courses and Registration Guidelines on 15th July 2025 for the Second Year BCA, BSc CS students. As per the New Education Policy (NEP 2020) the Open Elective subject should be taken by the SWAYAM-NPTEL portal. The Sesson was organized in Seminar Hall, School of Computer Sciences and Engineering, at O building.

The objective of the Program:

The primary objective of this Session is to give introduction to the students regarding MOOC courses, SWAYAM and NPTEL Platform and its courses and their benefits. It helps them build a knowledge in various interdisciplinary courses as well as in the technological field. The Session aims to familiarize the students and know how to find the course and enroll to it through the Department local chapter for the enrollment to the Open Elective courses. Students also aware about the course credit and how credit will be transferred to their academics via SWAYAM course enrollment and obtain certification.

Output of Program: By the end of the Session, participants gained the knowledge regarding MOOC courses and SWAYAM courses, registration process to enroll SWAYAM-NPTEL courses, Exam Form registration and credit transfer system.
