<b>Objectives</b>	<ol style="list-style-type: none"><li>1. To review academic performance and attendance.</li><li>2. To understand areas of improvement in studies.</li><li>3. To get guidance for exam preparation and assignments.</li><li>4. To set clear academic goals for better results.</li><li>5. To address any concerns from parents and teacher</li></ol>

Today's meeting provided us with a valuable platform to review the academic progress of students. We discussed their strengths, identified areas where improvement is needed, and exchanged constructive feedback. The active involvement of both parents and teachers will play an important role in guiding students towards academic excellence. This collaboration ensures that students remain disciplined, motivated, and focused on their goals. "We encourage students to make the best use of their time, stay regular in classes, complete assignments on time, and actively prepare for upcoming examinations. Parents' support at home and teachers' guidance at College will together create a strong foundation for their academic success.
