- **Ms. Varsha Savakare**
Assistant Professor, SOCSE, Sandip University, Nashik

Outline of Program: Department of Computer Science & Application, School of Computer Sciences and Engineering, organizes a Placement Campus Drive of the Kiran Academy on date **31st July 2025** for the Final Year BCA, BSc CS & MCA Students. The placement drive begins with a written aptitude test to assess logical, verbal, and quantitative skills. Shortlisted candidates participate in a group discussion to evaluate communication and teamwork. Next, a technical interview is conducted to test the subject's knowledge and problem-solving abilities. Finally, an HR interview assesses attitude, confidence, and overall fit for the organization.

The objective of the Program:

The primary objective is to provide students with real-time exposure to the recruitment process and help them secure job opportunities. It aims to assess their technical, analytical, and interpersonal skills while bridging the gap between academic learning and industry requirements.

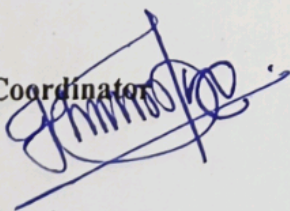

Output of Program: The placement drive results in students gaining practical experience in facing recruitment processes, including aptitude tests, interviews, and group discussions.

Glimpse of the Session:
