Event Report On Technical Poster Competition

Academic Year	: 2026-27
Title (Name of Event)	: Technical Poster Competition
Schedule (Date(s) and Time)	: 8 th Sept. 2026 Time: 2pm to 4pm
Venue	: S-building, C-19 Classroom SOCSE Sandip University Nashik
Duration	: One day.
Organizing Department	: School of Computer Science and Engineering(SOCSE)
Faculty Organiser	: Mrs. Samiksha Gawali, Assistant Prof. CSE Dept. Sandip University, Nashik.
Total Number of Participants	: 60
Expert(s) Profile	: Dr. Rais Khan (Professor, CSE Dept., Nashik.)

About the activity: The Poster Presentation Competition organized by the **School of Computer Science & Engineering, Sandip University, Nashik**, aimed to provide students with a platform to showcase their technical knowledge, creativity, and innovative ideas

During the Event:

The **Poster Presentation Competition** was organized by the **School of Computer Science & Engineering, Sandip University, Nashik**, on **8 September 2026**, from **2:00 PM to 3:00 PM** at **S-Building, Classroom C19**.

The competition focused on four major technology themes:

- **IoT-Based Applications**
- **Artificial Intelligence (AI)**
- **Embedded Systems**
- **Cloud Computing**

Students were encouraged to prepare and present innovative posters related to any of the specified themes. Through their posters, participants demonstrated their understanding of emerging technologies, their applications, and their potential to address real-world challenges.

The activity provided students with an opportunity to combine **technical knowledge, creativity, research, visual design, and communication skills**. Participants explained their concepts using suitable text, diagrams, illustrations, and technological examples. The presentation format helped students communicate their ideas in a concise and visually appealing manner.

The event also encouraged students to think beyond theoretical concepts and focus on **innovation, practical implementation, and technological impact**. It created an interactive academic environment where students could share ideas and learn from different approaches to modern technology.

The event was coordinated by **Mrs. Samiksha Gawali (Event Organiser)** and **Dr. Rais Khan (SOCSE Event Coordinator)**, with the involvement and guidance of the respective Heads of Departments and faculty members

Conclusion & Remarks: The Poster Presentation Competition was a **valuable academic and co-curricular activity** that encouraged students to explore emerging technologies and present their innovative ideas effectively. The themes of **IoT, Artificial Intelligence, Embedded Systems, and Cloud Computing** provided students with opportunities to connect theoretical knowledge with practical applications.

The activity successfully contributed to the development of students' **creativity, technical knowledge, research aptitude, problem-solving ability, communication skills, and confidence**. It also promoted the spirit of innovation and encouraged students to think about technology-driven solutions with real-world impact.

Overall, the competition successfully reflected the vision of the School of Computer Science & Engineering—“**Innovate | Learn | Create | Grow**”—and provided students with a meaningful platform to demonstrate their ideas and prepare themselves for future academic and professional challenges.

POSTER COMPETITION
ON
8TH SEP. 2026

*Ideas Today
A Smarter Tomorrow*

*Think
Design
Present
Inspire*

Poster Competition Theme

- IOT Based
- Artificial Intelligence (AI)
- Embedded System
- Cloud Computing

VENUE
S- Building Class Room C19,
Sandip University, Nashik

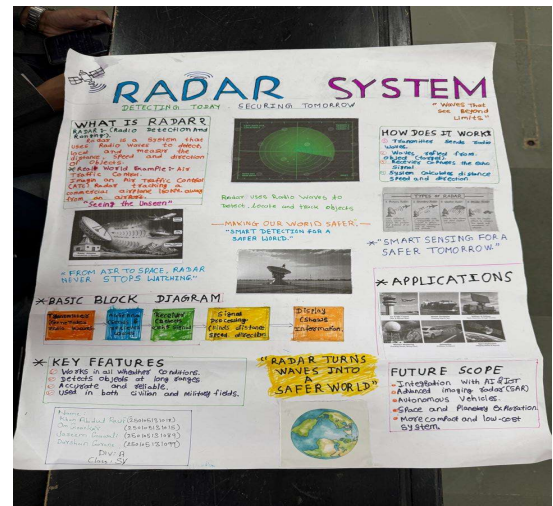

Start From
2.00 pm to 3.00pm

IDEAS INNOVATION IMPACT
*Technology
a Better Future*

Organizers and Coordinators:

- Mrs. Samiksha Gawali
Event Organiser
- Dr. Rais Khan
SOCSE Event Coordinator
- Dr. Umesh Pawar
HOD, CSE Dept.
- Dr. Sanjiv Shukla
HOD, AIML Dept.
- Dr. M. Juned
HOD, AIML Dept.
- Mr. Tushar Kaloge
HOD, CSF/CTIS Dept.
