Subject: Project Guidance Session by Alumni for BCA, B.Sc. (CS AIML & VR), and MCA Students

This is to inform all the students of SY and TY of BCA and B.Sc. (CS AIML & VR), and SY MCA that the Department of Computer Science & Application, School of Computer Sciences and Engineering, Sandip University, Nashik is organizing a Project Guidance Session by our distinguished alumnus to provide valuable guidance on project selection, planning, implementation, documentation, and industry best practices.

The session will be conducted by Mr. Sachin Kumar, Software Engineer, Ishravati Software Solutions, who will share his industry experience and provide expert guidance to help students improve the quality and execution of their academic projects.

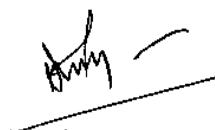

Event: Project Guidance Session by Alumni

Place: C4 Classroom, 'S' Building.

Date: 20 July 2026

Timings: 01:00 PM to 03:00 PM

All the students are requested to attend the Project Guidance Session punctually and actively participate in the interactive session. This is a valuable opportunity to gain expert guidance on academic projects, learn industry best practices, and enhance project quality.

Associate Dean

Event Name: Project Guidance Session by Alumni

Details of the Event:

Date of event: 20 July 2026

Name of Event: Project Guidance Session by Alumni

Venue: C4 Classroom, S Building, Sandip University

Time: 01:00 PM to 03:00 PM

Details of Speaker:

Name: Mr. Sachin Kumar

Designation: Software Engineer

Name of Coordinator: Mr. Nitin Mali, (Assistant Professor)

Number of Participants: 120

Organizing Committee: Faculty Members and Student Volunteers of the Department of Computer Science & Application

Brief description of Event:

The Department of Computer Science & Application, School of Computer Science & Engineering, Sandip University, Nashik, successfully organized a **Project Guidance Session** for **SY & TY BCA, SY & TY B.Sc. (CS, AIML & VR), and SY MCA** students. The session was conducted to provide valuable guidance on project selection, planning, implementation, documentation, and industry best practices.

The session was delivered by **Mr. Sachin Kumar, Software Engineer, Ishravati Software Solutions**, who shared his industry experience and practical insights into developing quality software projects. He guided students on selecting innovative project ideas, preparing effective documentation, following the software development process, and implementing projects using current technologies.

An interactive question-and-answer session was conducted, where students actively participated by discussing project-related challenges, technical implementation, documentation standards, and career opportunities in the software industry. The expert also motivated students to develop practical skills and adopt industry-standard practices to enhance the quality of their academic projects.

The programme concluded with a vote of thanks and a group photograph. The Project Guidance Session proved to be highly informative and beneficial, helping students gain practical knowledge and confidence for the successful completion of their academic projects.

Objective of the Event:

The Project Guidance Session was organized to provide students with expert guidance on project selection, planning, implementation, and documentation. The session aimed to enhance students' technical knowledge, introduce industry best practices, improve the quality of academic projects, and prepare students for successful project execution and future career opportunities.

Outcome of the Event:

The Project Guidance Session successfully enhanced students' understanding of project selection, planning, implementation, and documentation. It provided valuable industry insights, improved awareness of best practices in software development, and motivated students to develop high-quality academic projects with greater confidence and technical competence.

Event E-banner/Poster:

The poster is a vibrant, dark-themed graphic with a circuit-like border. It features the Sandip University logo and NAAC Grade A accreditation at the top. The main title 'PROJECT GUIDANCE SESSION' is prominently displayed in large, bold, yellow and white letters. Below the title, it states 'By Our ALUMNI' and 'Gain valuable insights, expert advice, and guidance from our successful alumni.' The event is organized by the School of Computer Science and Engineering, Department of Computer Science & Application, in collaboration with Ishravati Software Solutions. The session is led by Mr. Sachin Kumar, a Software Engineer at Ishravati Software Solutions. It is open for all students of BCA, BSC (CS, AIML & VR), and MCA. The event details include the date (20th July 2026, Monday), time (01:00 PM to 03:00 PM), and venue (C4 Classroom, S Building). The poster also mentions that the event is offline and held at the college campus. At the bottom, it lists the benefits of the session: 'Get Expert Guidance on Projects', 'Learn Best Practices & Innovations', 'Enhance Your Skills & Project Quality', and 'Network with Successful Alumni'. The poster concludes with a welcoming message: 'A great opportunity to interact, learn, and get expert guidance for your projects. Your active participation will make the session meaningful. We look forward to Welcoming You!'.
