**Outline of the Program:**

The **International Affairs Cell** of Sandip University organized an insightful seminar titled “**The Power of Studying Abroad**” on **5th August 2025**, specifically for final-year students from **B.Sc., BCA, and MCA** programs. The session was conducted as part of the university’s initiative to expose students to global education possibilities and prepare them for international academic careers.

The seminar was led by **Mr. Shreyas Mahajan**, a seasoned education consultant from **Study Smart Overseas Education, Nashik**, who has extensive experience guiding Indian students through the process of studying abroad. The session provided valuable information about:

- International university admissions
- Scholarship opportunities
- Visa application processes
- Course and country selection strategies
- Language proficiency exams (IELTS, TOEFL, etc.)

Mr. Mahajan also shared real-life student success stories and gave a comprehensive overview of current global education trends. The session was conducted in the well-equipped **Seminar Hall (S125)** of **O Building**, under the School of Computer Science & Application.

**Objective of the Program:**

The primary aim of the seminar was to:

- Introduce students to the concept of international higher education.
- Make them aware of the academic, cultural, and career benefits of studying abroad.
- Provide clarity on the end-to-end process of overseas admissions.
- Educate students about financial aid, scholarships, and budget planning.
- Encourage students to think beyond local opportunities and explore global academic pathways.
- Help them understand the role of university rankings, country-specific advantages, and future career prospects.

This session was aligned with Sandip University's mission to prepare students for **global competitiveness and academic excellence**.

#### **Outcome of the Program:**

By the end of the session, the students:

- Gained in-depth knowledge of overseas education systems.
- Understood the process of university applications and scholarship requirements.
- Were introduced to critical timelines and documentation procedures for international admissions.
- Recognized the importance of standardized tests (IELTS, GRE, etc.) and how to prepare for them.
- Were motivated to explore global opportunities with renewed confidence and vision.
- Showed high levels of engagement and interest during the Q&A session, where many personal and practical queries were addressed by the speaker.
