Event Outline, Objective and Outcome of the event:

Outline of Program: Department of Computer Science & Engineering has organized The Expert Lecture at Seminar Hall of '0' Building ,Sandip University, Nashik. Students, faculty and staff of Sandip University from various program were present for the event.

The event was organized under the guidance of Respected Dr.Pawan Bhaladhare.

Objective of Program:

1. Understanding Role of Civil Services:

To create an awareness about career in civil services among the final year under graduate students.During the session, Mr. Vibhor Bothe has given an overview about the career opportunities in civil services. He has mentioned about the various levels of jobs where the graduates are eligible. He has also given some tips with regard to the preparation for the same. At the end of the session he has clarified the doubts which are raised by the students.

Outcome:

At the end of the session, the students were able to identify the various career opportunities that are available to them in civil services.
