School of Computer Sciences and Engineering
Academic Year 2022-23

1. AIML Hands-on Session: AIML Hands on Session by Winjit Technologies Pvt. Ltd. Nashik Session-III

2. Event Date: 01st Oct 2022

3. Event Conduction Duration: 11.00 AM to 12:30 PM

4. Event Venue: Winjit Technologies Pvt. Ltd. Nashik

5. Expert Person Details: Ms.Mrunmayee Salway, Ms.Santoshi Tiwari

6. Name of Coordinator:
Name: Mr.Hiralal Solunke.

7. AIML Hands on Session by Winjit Technologies Pvt. Ltd. Nashik: Session-III

Outline of Expert Session: School of Computer Sciences and Engineering organized **AIML Hands on Session by Winjit Technologies Pvt. Ltd. Nasik on date 01st Oct. 2022 by** Ms.Mrunmayee Salway and Ms.Santoshi Tiwari from **Winjit Technologies Pvt. Ltd. Nasik** for the Second year and Third Year B.Tech Students. There are total 52 participants attended this session. Artificial intelligence and machine learning are the part of computer science that is correlated with each other. These two technologies are the most trending technologies which are used for creating intelligent systems. Although these are two related technologies and sometimes people use them as a synonym for each other, but still both are the two different terms in various cases. The Experts Discussed about Curse of Dimensionality, Principal Component Analysis, and Factor Analysis etc. All the Students were happy and interactively present in the session.

Objective of Program:
1) Student will have the expertise in Curse of Dimensionality.
2) Student will have the expertise in Principal Component Analysis.
3) Student will have the expertise in Factor Analysis.

Output of Program: All the students were happy and have the knowledge about basics of Artificial Intelligence & Machine Learning, IBM Watson etc.

Glimpse of the Session:-
