Objectives :

The main objective of the Student Induction Program (SIP) is to help students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members and expose them to a sense of larger purpose and self exploration. Induction is a well planned event to educate the new students about the environment in a particular institution and connect them with the people in it. The new students learn about the institutional policies, processes, practices, culture and values.

About the activity :

SOC & E has organized ' Student Orientation Program' on dated 20 /07/2023 at Seminar hall of Sandip University, Nasik..

Dr. Pankaj Dashore (Professor, CSE) welcome all the students and motivate them to attain regular classes and also for their participation in extra curriculum activities.

He also said that minimum 80% attendance in regular theory and practical classes is compulsory otherwise, they will not be allowed to appear for examinations.

Dr. Dashore said that the hard working of highly qualified teachers and student had made success of institute with several achievements. High quality research publications, patents and wining of awards is the key of success of department.

At the end of program Dr. Rais Khan (Professor, CSE), gives thanks to all faculty members and students for their participation in this program.
