and self-development.

About the Activity:

The Department of Computer Science and Engineering, SOCSE, Sandip University, organized a National Youth Day Celebration on 13 January 2026 at O Building, Seminar Hall (S-125). The event was conducted to commemorate the birth anniversary of Swami Vivekananda and to inspire students with his teachings and vision for youth empowerment.

The program began with a tribute and lamp lighting ceremony followed by an address highlighting the life, philosophy, and contributions of Swami Vivekananda towards nation building. The session emphasized his message of self-confidence, discipline, and dedication.

Students actively participated in the event through speeches and discussions focused on youth responsibility in modern society. The celebration encouraged students to develop leadership qualities and contribute positively to society.

The event successfully created awareness about the importance of youth power in shaping the future of the nation and motivated students to follow the ideals of Swami Vivekananda.

Conclusion & Remarks:

The National Youth Day Celebration was an inspiring and meaningful event. Students gained valuable insights into the life and teachings of Swami Vivekananda. The program successfully fulfilled its objective of motivating young minds towards personal growth and national development.

Such events will continue to be organized to encourage youth participation and leadership development.
