**Report on “Poster Presentation”**

**Category of Event (Expert):** Poster Presentation

**Title:** POSTER PRESENTATION for FY BCA and BSc AIML

**Schedule (Date(s) and Time):** 16 December 2022, 11:15 am – 1:00 pm

**Event Venue:** 3rd Floor, ‘O’ Building, SOCSE

**Duration:** 3 Hours

**Organizing Department:** Department of Computer Science and Application, School of Computer Science & Engineering

**Faculty Coordinators:** Prof. Mritunjay K. Ranjan, Prof. Supriya Bhosale and Prof. Shilpa S. Bhojne

**Total Number of Participants:** 101

**Objective of the Event:** The poster presentation competition on “Operating System, Artificial Intelligence and Machine Learning and Remote Sensing and GIS Technology” was organized by the Department of Computer Science and Application to encourage the student to come up with innovative ideas in the field of Computer Technology.

**About the Event:** The competition was organized for FY BCA and BSc AIML & VR students of Computer Science Application department. The event commenced by introducing judges and participants by Prof Shilpa Bhojne. The objective of the competition was to ignite the fire of imagination and creativity in the students. The topics for poster presentation were as follows: Operating System, Artificial Intelligence and Machine Learning and Remote Sensing and GIS Technology. The format for posters as well as rules to be followed for presentation was communicated to students well in advance of the competition. Rubrics for evaluation of posters were formed. Students were asked to express their ideas through paintings, sketches and many more. Students displayed their artistic skills through an array of posters with immense enthusiasm and made beautiful posters. The event was graced with the presence of Dr. Amol

Potgantwar sir, Dr. Pawan Bhaladhare sir, Dr. Vaibhav Sonaje sir, Dr. S. Nath sir, Dr. Pravin Gundalwar sir and all the respected faculties of the department.

**Conclusion & Remarks:** All posters were evaluated by our judges Dr. Vipin Borole(Remote Sensing and GIS Technology), Dr. Sarika Kondekar(Operating System) and Prof. Prafull Chaudhari(Artificial Intelligence and Machine Learning) from SOCSE, Nashik. Judges had announced three winners' group. The Competition was concluded by a vote of thanks given by Dr Vaibhav Sonaje. The competition was a great success and memorable learning event for the students.
