Report of Expert Lecture/Workshop/Symposium/Conference/Industry Visit/Meeting

Category of Event	:	National Conference
Title (Name of Event)	:	National Conference on Recent Trend in Computer Engineering and Applications (NCRTCEA-2023)
Schedule (Date(s) and Time)	:	5 May 2023
Venue	:	Seminar Hall , 2nd Floor, O-building
Duration	:	10.30 AM to 5 PM
Organizing Faculty/ Convener (s)	:	Dr. Pawan R. Bhaladare
Organizing Department	:	Department of Computer Science and Engineering
Faculty Coordinators	:	Dr. Dillip Rout
Total Number of Participants	:	67
Expert(s) Profile	:	1. Keynote Speaker: Mr. Makrand Savarkar (CEO , Winzit Technologies, Nashik) 2. Expert of Workshop on “ Data Visualization”: Ms. Nikita Salve , ESDS ltd , Nashik Expert of Workshop on “ DevOps”: Mr. Kiran Sonawane , ESDS ltd , Nashik

Objectives : The NCRTCEA-2023 conference encourages the faculties, staff, students and researchers from Academia, Industry and Practitioners to participate in this national conference. It will provide an exposure of research and methodology at a primary level. The registration fee is kept as low as Rs 500/- to encourage the majority of the students. The conference has the publications in Conference Proceedings (Souvenir), and further selected papers will be published in Google Scholar Index journal (without any additional charge).

About the activity : School of Computer Science and Engineering (SOCSE), organized a National Conference on Recent Trends in Engineering and Application (NCRTEA-2023) on 5 May 2023. The conference was organized with a purpose to connect researchers from academia, and industry. The conference was inaugurated by Dr. Rajendra Sinha, Hon' Vice Chancellor, Sandip University, Dr. Dr. Prasad R. Baviskar (Registrar), Dr. Amol Pitgantwar (Dean, SOCSE) , Dr. Pawan R. Bhaladare (HOD , SOCSE) along with Mr. Makrand Sawarkar, CEO, Winzit Technologies, Nashik as a Chief Guest. 48 research articles were received from researchers of various domains. Total 67 researchers contributed their research results out of which 33 participants from various Institutes, Universities belonging to several states registered in the conference and presented their papers on the latest technological trends.

Conference was based on four tracks/themes Computer Science and Engineering, Cloud technology, Cyber Security and Artificial Intelligence. Out of total 20 research articles, three from CSE, one from Cloud Technology, four from cyber security and twelve articles from AI track were presented in offline /Online mode. Research papers were reviewed by experienced researchers from various top Universities in India. Participation in the conference was from varied locations from Maharashtra as well as other states of India like Bihar, Odisha, West bengal. A workshop based on the conference theme of Data visualization was also conducted by industry expert Ms. Nikita Salve from ESDS Ltd. Nashik. Another workshop based on the conference theme of DevOps conducted by industry expert Mr. Kiran Sonawale from ESDS Ltd. Nashik.

Conclusion & Remarks : Participants from various colleges, Universities attended the conference and benefited from sharing their research findings and discussing the current trends in their research areas with other researchers. This sharing of research knowledge and findings helped them to improve their domain knowledge and it will help them to achieve the research objectives easily and more efficiently.

Any other (as per requirements) :

Flyer (If applicable) :

Itinerary (If applicable) :

Geotagged Photographs : attached below

News Coverage (If applicable) :

List of Participants: (attach detail list with Names and sign of participants)

Signature of Convener/Organizer

Signature of Head/Dean
