

Event Name

Details of the Event: Engineers Day

Date of event: 15.09.26

Name of Event: Engineers Day

Venue: Time: 11:00 AM

Details of Speaker/Designation/Photograph (if any):

Name of Coordinator: Dr. Abhilash Kumar K A / Mr. Rohan Choudhary

Number of Participants: 35

Sustainable Development Goals (SDGs) Mapping: SDG 4 Quality Education.

Brief description of Event:

The **Engineers' Day Celebration** was organized by the **Department of Civil Engineering** to recognize and celebrate the contribution of engineers towards technological advancement, infrastructure development, and nation-building. The programme highlighted the importance of **innovation, problem-solving, sustainability, and professional ethics** in engineering. Students and faculty actively participated in various activities, creating an engaging platform to appreciate the spirit of engineering and inspire students to become responsible and innovative professionals.

Objective of the Event:

- To celebrate the **contribution of engineers** to society, infrastructure, and national development.
- To create awareness among students about the **role and responsibilities of engineers** in solving real-world problems.
- To encourage **innovation, creativity, and technical thinking** among students.
- To promote awareness of **sustainable engineering practices** and responsible development.
- To inspire students to develop **professional ethics, leadership, and problem-solving skills**.

Outcome of the Event:

- Students gained a better understanding of the **importance and societal impact of engineering**.
- Students were motivated to explore **innovative and sustainable solutions** to engineering challenges.
- The programme enhanced **technical awareness, creativity, and problem-solving orientation**.
- Students developed greater appreciation for **professional responsibility and ethical engineering practices**.
- The celebration strengthened **student–faculty interaction and teamwork**.
- Students were inspired to contribute towards **sustainable infrastructure and nation-building** through engineering.

Event Photos:

The poster is for 'Engineers' Day' organized by the Department of Civil Engineering, C.E.S.A. (Civil Engineering Student Association) at Sandip University, Nashik. It features the university's accreditation logos (NAAC Grade A, NBA) and the School of Engineering and Technology (SOET). A portrait of Sir M. Visvesvaraya is on the left, with text: 'Sir M. Visvesvaraya (1861 – 1962) A True Inspiration for Every Engineer'. The date '15 SEPT 2026' is in a red banner at the top right. A quote from Sir M. Visvesvaraya is on the right: 'Engineering is not just a profession, it's a way to serve the society.' Below the quote is a list: 'PLAN DESIGN BUILD SUSTAIN'. The main title 'ENGINEERS' DAY' is in large yellow letters. Below it is a banner: 'Celebrating the Visionaries who Build a Better Tomorrow'. The 'EVENTS' section lists 'Technical Treasure Hunt' (Find • Solve • Explore) and 'Quiz Competition' (Think • Answer • Win). It also mentions 'Medals & Certificates will be provided to the winners!'. The time is '1:00 PM' and the venue is 'SOET, Sandip University, Nashik'. At the bottom, it says 'All Students and Teachers are Cordially Invited! Let's Celebrate Innovation, Knowledge and a Better Tomorrow!'. There are icons for 'Sustainable Infrastructure', 'Stronger Communities', and 'Brighter Future'. A slogan 'CIVIL ENGINEERS SHAPE A BETTER WORLD' is on the right, and 'Build Innovate Excel' is at the bottom right.

Quiz Competition for Students – Engineers' Day

A Quiz Competition was organized for students as part of the Engineers' Day celebration to promote technical knowledge, logical thinking, awareness of engineering concepts, and healthy competition. The activity provided students with an engaging platform to test their knowledge beyond the classroom and encouraged teamwork, quick decision-making, and active participation.
