Mr Gopal Jha

Brief description of Event:

SUN LAUNCHPAD 2026 , SUN Entrepreneurship Club and Sandip TBI Jointly organized event . On 05/10/2026 Round 1 is Conducted Total 40 Teams Participated, on 09/10/2026 Round 2 in conducted 15 Teams Participated

Objective of the Event:

The primary objective of SUN LAUNCHPAD 2026 was to provide a dedicated platform for students to present innovative ideas for startups and foster an entrepreneurial spirit across campus.

Specifically, the event aimed to:
1. Promote Student Innovation: Encourage students (individually or in teams) to build bold, real-world solutions to pressing industry and societal challenges.
2. Provide Pitching & Presentation Experience: Allow aspiring student entrepreneurs to deliver structured business pitches before an expert evaluation panel.
3. Facilitate Mentorship & Feedback: Connect student innovators with academic heads and incubation experts to refine their market strategy, business model, and feasibility.
4. Offer Incubation Support: Identify promising startup concepts for trophies, certificates, and long-term incubation opportunities through Sandip TBI.

About the Activity :

SUN LAUNCHPAD 2026 was conducted as a multi-stage entrepreneurial competition spanning two interactive days:

Round 1: "Idea to Pitch" (October 5, 2026)Participation:
40 Teams participated.
Activity Highlights: In the opening phase, 40 student teams presented their core startup ideas. Each team focused on explaining their target problem, proposed technical or business solution, and why the concept matters. The panel evaluated entries based on originality, problem-solution fit, and pitch delivery.

Round 2: "From Idea to Business" (October 9, 2026)Participation:
15 Shortlisted Teams. Activity Highlights: The top 15 shortlisted teams advanced to deliver a detailed business pitch. Participants demonstrated their prototype progress, market potential, revenue/business model, and execution strategies. The session included interactive Q&A rounds where students received feedback from the judges.

3. Winners & Recognition Following evaluation by the judges, the top three winning startup teams were recognized:
1st Winner: Pfvp
2nd Winner: Gadiwala
3rd Winner: RDA
All participants received certificates of participation, while top performers were awarded trophies and incubation opportunities.

Conclusion:

SUN LAUNCHPAD 2026 concluded with great enthusiasm, achieving its mission to empower student innovators under the theme "Ideas Today. Impact Tomorrow."

Key Outcomes Achieved:
Student Participation: 40 teams presented original startup concepts, showcasing diverse ideas and practical solutions.
Skill Development: Participating students gained valuable hands-on experience in public speaking, pitch preparation, market analysis, and business planning.
Path to Incubation: The winners and finalist teams earned direct pathways to Sandip TBI for continued mentorship, incubation support, and potential funding beyond the event.
