EVENT REPORT

On

Expert Talk on “Code the Web: Learn HTML”

Name of Event: Expert Talk on “Code the Web: Learn HTML”

Date of Event: 21st February 2026.

Event Venue: 2nd Floor, Civil Seminar Hall Department; SOET-A Block, Sandip University, Nashik.

Coordinator of Event: Prof. Supriya S.Gaikwad.

Name and Details of Resource Person: Mr. Hiralal Solunke (Asst.Prof. of SOCSE, Nashik)

No of Participants: 400

Details of Participants: Students of FE B.Tech- A Block (SOET)

Objectives: The objective of this HTML session is to introduce participants to the fundamental structure of web pages and the essential HTML tags used to create and format content. The session aims to develop practical skills in designing simple, well-structured web pages and to build a strong foundation for further learning in web development technologies.

Outcome: All participants will be able to create basic web pages using essential HTML tags and attributes, structure content effectively using headings, lists, tables, and forms, and understand the foundational concepts required to progress toward advanced web development using CSS and JavaScript.
