

## Report on Interview Session I

**Date:** 21st February 2025

**Venue:** Industrial Automation Lab

**Time:** 10:00 AM to 12:00 Noon

**Participants:** Final Year Students

### Introduction

An interview session was conducted on 21st February 2025 at the Industrial Automation Lab for final-year students. The session aimed to enhance students' interview skills, provide industry insights, and prepare them for placement opportunities. The session was conducted by **Mr. Durgesh Borse, T&P Officer Coordinator, SOET, SUN.**

### Session Overview

The session commenced at 10:00 AM with an introduction to the objectives of the interview process. Students were briefed about the importance of interviews, common questions asked, and strategies to effectively present themselves. The session was divided into two parts:

1. **Mock Interviews**
2. **Feedback and Guidance**

### Mock Interviews

Each student participated in a mock interview conducted by faculty members and industry experts. The interviews covered technical and HR questions related to their field of study, problem-solving abilities, and communication skills. The interviewers evaluated students on parameters such as subject knowledge, confidence, clarity in communication, and body language.

### Feedback and Guidance

Post-interview, the students received individual feedback on their performance. Key areas of improvement were highlighted, including:

- Enhancing technical knowledge related to core subjects.
- Improving soft skills and communication.

- Developing structured and confident responses.
- Handling situational and behavioral questions effectively.

## Conclusion

The session concluded at 12:00 Noon with an interactive Q&A session where students clarified their doubts regarding interview techniques and industry expectations. Overall, the session proved to be highly beneficial in preparing students for upcoming placement opportunities. The students expressed their gratitude for the valuable insights gained and requested more such sessions in the future.
