**National Science Day- Poster Presentation**

**1. Event Title:** “National Science Day- Poster Presentation” at the Department of Civil Engineering, SoET, Sandip University, Nashik.

**2. Event Date:** 28/02/2026

**3. Event Conduction Duration:** 12:00 PM TO 1:30 PM

**4. Event Venue:** F109 Classroom Y Building

**5. Event Resource Person Details -NA**

**6. Name of Event Coordinator with contact details:** Mr. Rohan Chaodhary

**5.Outline of event**

The Poster Presentation activity was organized in association with Civil Engineering students association CESA to celebrate National Science Day and encourage students to showcase their scientific knowledge and innovative ideas. Students prepared and presented posters on various scientific themes such as recent technological advancements, sustainable development, environmental protection, and engineering innovations. Participants explained their concepts and research ideas to the judges and audience, followed by an interactive discussion. The posters were evaluated based on creativity, scientific content, clarity of presentation, and relevance to the theme of National Science Day.

**6.Objective of event:**

- To promote scientific thinking and awareness among students.
- To encourage students to explore and present innovative ideas and research concepts.
- To develop presentation and communication skills among students.
- To create awareness about the importance of science and technology in everyday life.
- To motivate students to participate in scientific discussions and activities.

**Outcome of Event:**

- Students enhanced their understanding of scientific concepts and current developments.
- Improved creativity, research aptitude, and presentation skills among participants.
- Increased interest and enthusiasm for science and innovation among students.
- Development of critical thinking and problem-solving abilities.
- Encouragement for students to actively participate in future academic and research activities

**ABOUT THE EVENT**

On the occasion of National Science Day, Diploma and Engineering students of all disciplines are invited to showcase their innovative ideas through:

- **SCIENCE PROJECT PRESENTATION**
- **SCIENTIFIC POSTER PRESENTATION (DISPLAY & EXPLANATION)**

The objective is to promote scientific thinking, innovation, research aptitude, and practical problem-solving skills among students.

**Eligibility**

- Diploma Students (All Branches)
- Engineering Students (All Disciplines)
- Individual / Team Participation (as per department guidelines)
- Participation is Compulsory for all Civil Engineering Students

**SUGGESTED THEMES**

**Green Concrete & Sustainable Construction**

- Artificial Intelligence in Engineering
- Renewable Energy Technologies
- Waste Management & Recycling
- Smart Cities & Smart Infrastructure
- Climate Change & Engineering Solutions
- Advances in Material Science
- Innovative Engineering Solutions for Society

**POSTER PRESENTATION GUIDELINES**

Standard Poster Size: A1 / A2 (as per instruction)

Clear Title, Problem Statement, Methodology & Conclusion

Use diagrams, charts, and visuals

Posters will be displayed for evaluation and exhibition

**PRIZES & CERTIFICATES**

**First Prize** Trophy + Certificate

**Second Prize** Trophy + Certificate

**Third Prize** Trophy + Certificate

Participation Certificates will be awarded to all participants
