Brief description of Event:

A **Campus Run** is a fitness and awareness activity organized within the college campus to encourage students, faculty, and staff to adopt a healthy and active lifestyle. It promotes physical well-being, teamwork, discipline, and community spirit while creating awareness about a specific social or environmental cause, if desired.

The event typically involves participants running or jogging along a pre-defined route within the campus under the supervision of faculty members and volunteers. Safety measures such as route marking, hydration points, first-aid facilities, and volunteer support are arranged to ensure a safe and enjoyable experience for all participants.

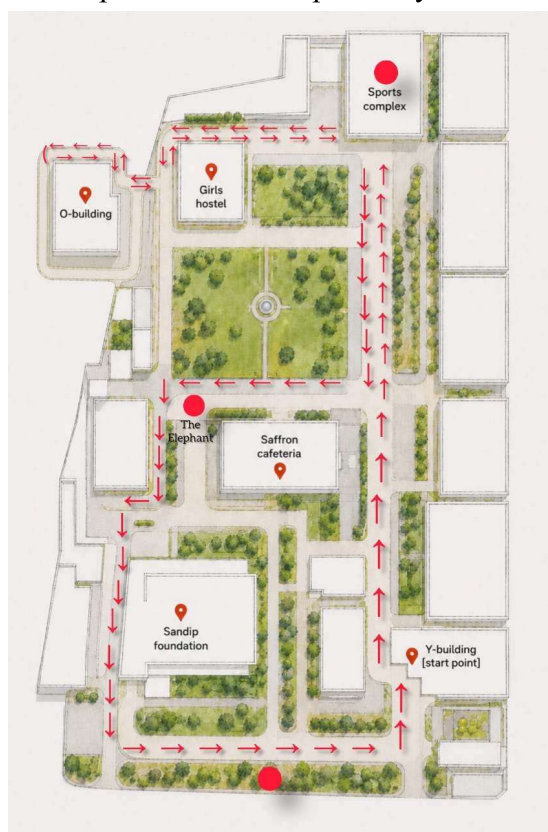

Objective of the Event:

- Promote physical fitness and a healthy lifestyle among students.
- Encourage participation in extracurricular and wellness activities.
- Foster teamwork, discipline, and sportsmanship.

Outcome of the Event:

- Increased awareness of the importance of regular physical activity.
- Improved student engagement and campus interaction.
- Enhanced team spirit and motivation.
- Promotion of a healthy and energetic campus culture.
