6. Gearing Up for Upcoming Placement Scenarios

- Understand the skills and qualities that will set your students apart in competitive placement scenarios.
- Receive guidance on honing essential skills to outshine their peers and secure promising career opportunities.

ABOUT THE BODHI TREE The Bodhi Tree, founded by an IITian, stands as India's premier institute. The alumni from various prestigious institutes like IITs, IIMs, NITs, COEP, FMS, and JBIMS have collaborated to create exceptional courses for MBA entrance exams, Banking exams, Government exams, and Foreign Studies exams. With a collective teaching experience of over three decades, the Sages provide expert guidance and mentorship across various exams.

Remarkably, The Bodhi Tree has nurtured and guided over 50,000 students, facilitating their journey towards academic excellence and professional success. The Bodhi Tree students are currently studying in top universities worldwide, including Harvard, Stanford, MIT, Oxford, LBS, ISB, IIMs, JBIMS, XLRI, FMS, and more. Additionally, they have secured positions in leading Indian banks and financial institutions such as RBI, SBI, BOB, BOI, BOM, PNB, and others.

MENTORS' OVERVIEW

Shekhar

- **Education:** B. Tech., IIT Madras; M. Tech., IIT Madras; MBA, JBIMS (IIM L Convert)
- **Industry Experience:** Ex - PwC; Co-founder, The Bodhi Tree
- **About:** Shekhar, an eminent mentor, has dedicated himself to shaping the minds of India's youth. Holding degrees in B.Tech and M.Tech from IIT Madras, as well as an MBA from JBIMS, his educational journey is formidable. With a professional background that spans from being an ex-PwC consultant to co-founding The Bodhi Tree, Shekhar's expertise is diverse. He initially made his mark by mentoring JEE Examination candidates, leveraging his profound understanding gained during his time at PwC to emphasize logic and critical thinking over rote calculations, particularly evident in his approach to solving DI problems. Shekhar's early achievements in Scholarships and Olympiads underscore his penchant for innovative strategies and shortcuts, which he now imparts to his students, fostering their success in the Quants & LR section and beyond.

Malhar

- **Education:** B.E., MBA
- **Industry Experience:** 10 years of teaching experience; Co-founder, The Bodhi Tree
- **About:** Malhar, a transformative educator and co-founder of The Bodhi Tree, stands as a testament to the power of determination and expertise. Despite his humble beginnings as a below-average student from a B-grade engineering college, he defied expectations by securing a spot in one of India's premier B-schools. With a decade of teaching experience under his belt, Malhar's journey is an inspiring narrative of personal growth. His remarkable aptitude for English grammar and exceptional teaching prowess have earned him the revered title of "God of Verbal" among his students. Leveraging his own journey from mediocrity to excellence, Malhar possesses the unique ability to sculpt ordinary students into extraordinary achievers. His knowledge has proven instrumental in guiding countless students to success in challenging exams such as Banking, MBA CET, CAT, GRE, and GMAT, solidifying his legacy as a true education luminary.

Omkar

- **Education:** B. Tech., IIT Madras; M. Tech., IIT Madras; Cornell Convert
- **Industry Experience:** Healthcare Industry Expert; Education Mentor; Ex Tata Motors; Technical Hiring Advisor, Global Philips
- **About:** Omkar is a seasoned mentor with an illustrious educational background, holding both a B. Tech. and an M. Tech. from IIT Madras. With a wealth of industry experience, he has excelled as an Industry Expert, Education Mentor, and previously contributed his expertise to Tata Motors. His role as a Technical Hiring Advisor at Global Philips further underscores his profound insights into talent acquisition and development within the corporate landscape. Omkar's diverse and accomplished journey positions him as a highly regarded figure in both the educational and industrial domains.
