Brief description of Event:

The celebration featured **student led activities, cultural performances, interactive games, and heartfelt expressions of gratitude** towards the faculty members. Students took the initiative in organizing and conducting the programme, demonstrating their creativity, teamwork, leadership, and respect for their teachers.

The event strengthened the **student and teacher relationship** and highlighted that education goes beyond classrooms it is built on **guidance, trust, inspiration, and shared experiences**.

Objective of the Event:

- **To express gratitude and respect** towards teachers for their guidance, support, and contribution to students' development.
- **To strengthen student–teacher relationships** through meaningful interaction and participation.
- **To encourage student leadership** by involving students in planning and conducting the celebration.
- **To develop teamwork, communication, and organizational skills** among students.
- **To appreciate the role of teachers** in shaping students' academic, professional, and personal growth.

Outcome of the Event:

- Strengthened student–teacher bonding.
- Encouraged student leadership and teamwork.
- Provided a platform for students to express gratitude.
- Developed students’ event-management and communication skills.
- Created a positive and memorable academic environment.
- Reinforced the values of respect, mentorship, and lifelong learning.
