Report on a seminar on Introduction To Aeromodelling

Title- Introduction To Aeromodelling

Date- 7/1/2023

Time: 10:00 am to 12:00 am

Mode: offline

Venue- G 109, SOET, Sandip University

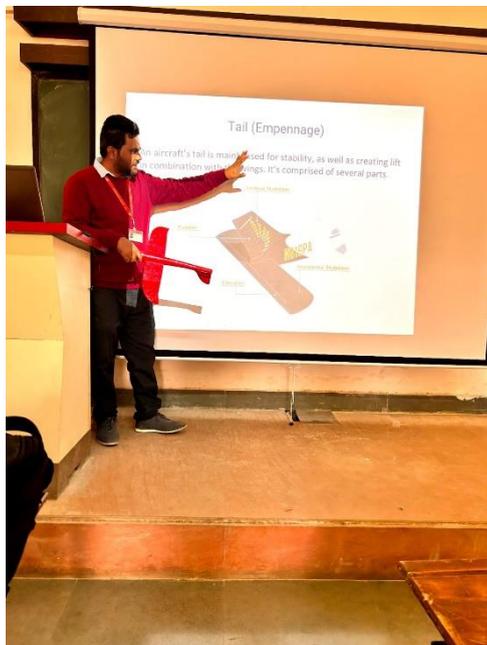

Participants- 70+ students from B.Tech SOET, SITRC and SOCSE

Speaker : Mr. Akshay Gharat, Department of AerospaceEngineering.

On 7th of JANUARY 2023, the AEROMODELLING CLUB ,SOET organized a SEMINAR on INTRODUCTION TO AEROMODELLING for students of Sandip University & Sandip Foundation .

All the students, the faculty members, and HOD Aerospace Engineering were invited to G 109, SOET, Sandip University. The entire SEMINAR was planned by the AEROMODELLING CLUB.

The Seminar Started at 10:00 am by Mr.Akshay Gharat , where he addressed and explained the topic of Introduction To Aeromodelling. Sir also explained the Reasons Why Aeromodelling is important and taught the ways to understand , learn & memorise them. Some of these were:

- 1) When in doubt, search the solution
- 2) Apply the grabbed knowledge on your work
- 3) Always say “I can do this ” and “Think positive ”.
- 4) Don’t get distract from your goal
- 5) See your success in sky etc.

This session helped the students understand the importance of AEROMODELLING . The SEMINAR taught students that how to use knowledge while making or design an aircraft . It was a very informative session, the students will definitely get benefit from it.
