SEMINAR ON MOON LANDING

DATE : 11 APRIL 2023
TIME : 09 TO 11 AM
VENUE: SEMINAR HALL
Y BUILDING,SOET,SUN

SPEAKER
Mr Md Fazlur Rahman

Mr. Sujeet Kumar Pandey
Event Coordinator

Dr. Vishal Sulakhe
HOD, AERO ENGG.

Dr. Prakash Burade
Associate Dean, SOET

The seminar started at 9:00 am by felicitation of **Mr. Md Fazlur Rahman** by Prof Dr. Vishal Sulakhe HOD of Aero department. After that he guided students with his few words and handed over the mic to Mr. Md Fazlur Rahman. He started the seminar by creating full energetic environment as students was also curious to know the history, technicality behind moon landings and the challenges everyone face who is working on it. The session started with the historical part of aviation field along he has given a brief on first aircraft that successfully takeoff and land. He shared information about countries which make first successful landing on Moon and the period after that. The seminar was divided into different sessions which students enjoy completely.

It was a good experience by the students and the faculty members of Aero department. Thankful to Prof Dr. Vishal Sulakhe HOD of Aero department for conducting this event giving students opportunity to learn something interesting
