7. Number of Participants: 4 teams

8. Event Outline:

The objective is to score points by sending the ball over the net, grounding it into the opponent's court. Volleyball matches are made up of sets, typically three or five sets. Three-set matches are two sets to 25 points and a third set to 15 points. Each set must be won by two points. The first team to win two sets is the winner of the match. Five-set matches are four sets to 25 points and a fifth set to 15 points. The team must win by two points unless tournament rules dictate otherwise. The first team to win three sets is the winner.

9. Outcome of the event: All the students have participated in event from different colleges and were very enthusiastic.
