

**Department/ School Name : Aerospace Engineering, SOET**

**Academic Year : 2019-20**

**Report on : Event Best from Waste Competition**

- 1. Event Title:** Best from Waste Competition
- 2. Event Date:** 25<sup>th</sup> January 2020
- 3. Event Conduction Duration:** 3.00 P.M. to 5:00 P.M.
- 4. Event Venue:** Y- Building Seminar Hall
- 5. Name of Event Coordinator with contact details:**

**Name:** Dr. M SURESH KUMAR

Mr. AKSHAY GHARAT

- 8. Event Outline:** Best from waste Competition

**Outline of Program:** Saturday, 25<sup>th</sup> January 2020, Department of Aerospace engineering, SOET has organised a “Best from waste competition” to make a useful thing from our waste. For some people it will be waste but for some it is best. Many students have participated in programme and made many different useful things. All should know the value of any things whether it’s a living or non-living and the thing which are waste we should know we can use it another way to make it best. Nowadays everyone is finding different ways to make something good from waste.

**Objective of Program:** The main objective of the competition is to make student and other realised how we can make useful things from waste. There is no such thing called waste, every material will have different use in their different life cycles. We need to utilize it properly.

**Output of Program:** Student came up with different ideas which made many useful things from the waste. Every student showed their talent. All know the value, if any materials are not useful then how to bring it useful. Some students got prizes as well and others got appreciation.

**9. Event photos which must include photos of Inauguration, felicitation, event conduction and valedictory ceremony. (If applicable)**
