

Department/ School Name : Aerospace Engineering, SOET

Academic Year : 2019-20

Report on : Event of Poster Making Competition.

- 1. Event Title:** Poster Making Competition
- 2. Event Date:** 24th January 2020
- 3. Event Conduction Duration:** 12.00 A.M. to 2:00 P.M.
- 4. Event Venue:** O - building Hall
- 5. Name of Event Coordinator with contact details:**

Name: Dr. M SURESH KUMAR

Mr. AKSHAY GHARAT

- 8. Event Outline:** Poster making Competition of Nature Earth

Outline of Program: Friday, 24th January 2020, Department of Aerospace engineering, SOET has organised a Poster making competition on topic “Nature Earth”. Many students have participated in competition on account of nature protection. The engineering aspirants with a lot of specialization to choose from different departments and get exposure to multifaceted challenges and skills have come. All should know the value of nature and how we can protect it. Nowadays situation is getting worse day by day. We need to learn and keep our nature safe for our upcoming generation.

Objective of Program: The main objective of the competition is to make student and other realised how bad is the situation of our nature, we need to save our nature. Before we is to breath in open environment but now a days we required external equipment to breathe. Global warming has increased, snow started melting at poles. We need to come up with idea to save our nature.

Output of Program: Student came up with different posters and ideas how bad our nature is currently and how we can protect it. Many students have participated in competition and some students got the prizes as well for best poster.
